**205 - LANCASTER 4 BARREL RIFLE**

A world class & extremely rare cased 4 barrel percussion rifle by Charles Lancaster of London. This rifle features an inovative and unusual break down action with a 4 barrel turn over system activated by a latch between the hammers on top of the action. The browned damascus barrels retain nearly all their finish and are all aproximately 38 bore (50 caliber) and use Lancaster's patented smooth bore rifling. The barrels have foresights and 4 rear leaf sights and marked Charles Lancaster New Bond Street London & Patents Smooth Bore Rifling. London proof marks on both top and bottom barrels, the lock plates are foliage engraved allover and marked C.Lancaster London and retain a lot of case colour hardening colours. Both locks are elaborately foliage and birds head engraved. The top of the action and the barrel turning lever are also fully foliage engraved. Excellent walnut stock with chequered wrist features steel furniture with engraved scene of 2 Deer fighting on the trigger-guard extending into dimpled grip and spear shape finial. The trigger-guard retains quite a lot of its original blue. The steel butt plate has chequered grip patten and extends in to the top of the stock with hunting dog and spear shaped finial. The oak case is a 2 layer system with the gun stored on the bottom layer and the accessories on the top layer. The case has been nicely relined in navy blue baize and has been re-accessorised by Holland & Holland where required and contains 26 accessories including: flash, rod, screwdrivers, oil bottle, bullet mould etc. This is a unique opportunity to aquire a truely world class firearm seldom offered for sale anywhere. The vendors research determined this gun was produced in 1863 and sent to India for a Maharajah. Ex.W.O.& C. N.L.R.

206

207

**206 - RIGBY PERCUSSION RIFLE**

A very fine quality double percussion rifle by John Rigby of Dublin, circa 1843 . 30" 12 Bore damascus twist rifled barrels with original sights marked W&J Rigby Dublin and has twin platinum bands, also has original captive ramrod. The lock plates are also marked Rigby and profusely foliage engraved all over, plus Tiger on L/H side and Bear on R/H side. The cocks are foliage engraved and have half cock safety. The walnut stock is in very good condition with only a few minor dings and scratches. The wrist is nicely chequered, the steel trigger guard is also nicely engraved and extends into foliage engraved finials the full length of the forend and back thru to behind the wrist of the stock. The top of the wrist is also nicely foliage engraved. The steel patch door at the rear of the stock is border line engraved with dog and deer hunting scene. The steel butt cap extends into the top of the stock with foliage pattern finial and is dimple engraved on the butt. The metalwork has traces of original brown on the barrel as well as traces of original blue on the hammers & trigger, the rest is nicely untouched aged patina. Contained in its original green baize lined oak case with Rigby trade label. The case is well accessorised and includes Hawksley flask, Rigby marked bullet mould, round mould, jags, brushes, screwdrivers, oil bottle, percussion caps, dipper bullets & more. The oak case has brass corners and handle, has some dings and staining but generally good condition. A nice high grade gun from one of Irelands best makers. V.G.W.O.& C. N.L.R.

**207 - MANTON D/B FOWLER**

A fine quality English D/barrel fowling piece. 30" Browned barrels with silver foresight and captived ramrod in aproximately 12 bore, marked on the top Joseph Manton Hanover Square London, plus London proof marks underneath. Also marked with its conversion number when it was converted from Mantons tube lock to percussion in the 1820's. The lockplate is borderline engraved and marked Joseph Manton Patent plus foliage engraved in the corners and on the cocks. The steel furniture has foliage and bird scene on the triggerguard with speer point finial to the rear and pineapple finials to the front with silver cross pin escutcheon. Plus a blank silver initial escutcheon on the back of the wrist. The walnut chequered stock is in V.G. condition with only a few scratches and dingss. Also has steel butt plate extending in to the top of the stock. The metalwork has traces of original grey patina. The original oak case has been relined and includes bullet mould, cleaning rod, powder flash, shot bag and dippers. V.G.W.O.& C. N.L.R.

A very scarce and desirable English Colliers Patent 5 shot percussison revolving rifle. 27" Aproximately .61 caliber rifled round barrel with square top rib marked E.H.Collier London in inlaid gold script writing. The top of the action has also been gold inlay engraved with lions head and stand of flags extending into the barrel. On the L/H side of the barrel it has been crudely stamped MP-CHP/I+EX-1966 (perhaps most likely in 1966) The manually rotated cylinder and cock has been converted from flintlock to percussison. The cylinder also features a gold inlaid pattern which is missing quite a bit of gold at the rear. The lock plate is borderline engraved with floral pattern, inside is a gold inlaid stand of flags & E.H.Collier patent. The top of the action has also been gold inlay engraved with lions head and stand of flags extending into the barrel. The walnut stock features elegant silver wire inlay all over in floral pattern with starburst above the trigger and silver escutcheon above the chequered wrist. Aproximately 26 of the silver flower heads are missing, the steel butt plate extending into the top of the stock is also missing. The metalwork has grey to brown patina overall. These are an extremely scarce guns and seldom offered for sale. G.W.O.&C. N.L.R.

**270 - RIGBY PINFIRE SHOTGUN**

A fine quality Pinfire D/Barrel 12 bore shotgun by Irish maker Rigby of Dublin circa 1860. 30" Barrels with their typical very elegant damascus twist pattern and marked Rigby Dublin etc. The case colour hardened action also marked Rigby and finely borderline foliage engraved all over, including the Dolphin shaped hammers. The side mounted lever is also engraved, the Walnut stock is chequered round the wrist and 2 piece tilting forend, and relief engraved around the lock plate. The steel trigger guard and finials also foliage engraved. The metalwork retains traces of original finish all over. Contained in its emerald green velvet lined leather bound case with: cleaning rod, assorted loading tools and oil bottle etc. V.G.W.O.& C A.L.R.

**271 - BIG GAME RIFLE**

**327 - CASED D/B CARRIAGE PISTOLS**

A very rare and excellent pair of cased double carriage flintlock pistols by famous gun maker Samuel Nock (nephew of Henry Nock) circa 1800. 5 2/3" .33 Bore double damascuss browned barrels with silver fore sights. Maked Samuel Nock London on the rib with sunburst pattern at the rear extending into the pistol grip with engraved pattern including another sunburst on the screw area. This area has almost all its original case colours, the case coloured lock plates are marked Samuel Nock on both sides of each gun. The lock plates are all identically engraved with foliage around the rear borders & in front of the half cock safeties as well as a sunburst around the screws behind the cocks which are also engraved with foliage pattern. The roller frizens are also plain border line engraved. The blued steel trigger guards are edge pattern engraved with stand of flags in the centre extending into an engraved pineapple finial on the underside of the stocks. The metalwork retains nearly all

327

328

329

original brown finish on the barrels, case colours on the lock plates & top of the pistols. The trigger guards and cocks retain near all original blue finish. The chequered walnut stocks feature silver unmarked initial escutcheon on the tangs and as well as silver cross pin escutcheon. The steel ramrod guides are engraved and extend in to the woodwork with finial design. The woodwork is in very good condition with some small dings and scratches, complete with original horn tipped ramrods. The pistols are contained in their campaign type case. The case features the trade label of Egg who would have retained these pistols. The case has been well relined some time past in a correct olive green baize, the compartments have the original ivory pull handles. Inside the case is a nice copper and brass flask marked Sykes plus some lead bullets, ebony and brass cleaning rod and a similar powder measure. We believe this is the first set of double carriage pistols to be offered for sale in New Zealand on the open market. A unique opportunity for the discerning collector and investor. Ex.W.O.& C. N.L.R.

**328 - CASED DUELLING PISTOLS**

A fine set of rare and desirable duelling pistols by Thomas Henshall of Birmingham, circa 1790. 9" Octagonal .22 bore barrels with front and rear sights in steel, engraved bands at the rear of the barrel plus gold touch hole. The lock plates marked Henshall, the plate is borderline engraved and foliage engraving behind and on the cocks as well. The frizzens are line engraved as well as having gold lined pans. The steel furniture is borderline engraved around the trigger guard with small floral pattern extending from the trigger guard to pineapple shaped finials. The ramrod guides are also steel. These guns retains most of their original brown on the barrels and blue on the metalwork, thinning in areas of use around the trigger guard and grip. Excellent original walnut stocks with chequered wrists and silver name escutcheons on the tang marked with letters. Complete with original ramrods. Contained in their original green suede lined oak case with brass carry handle and latches with ivory handles on the compartments. The case contains: a very nice copper and brass 3 way flask, bullet mould, bullets, cleaning rod plus jag. This is a unique opportunity for the serious collector/investor to purchase a very fine set of duelling pistols. Ex.W.O.& C. N.L.R.

**329 - D/B WHEEL LOCK PISTOL**

An extremely rare and seldom offered for sale anywhere in the world this museum quality German under & over double barrel wheel lock pistol. 7 1/2" Approximately 80 bore steel barrels, the top barrel is octagonal to round with balluster turns and is hall marked and relief engraved with floral pattern at the rear. The steel lock plate is also borderline engraved and foliage pattern in the corners. Steel half round trigger guard with ballister turn and retains a lot of original blue on the inside. The ebony with ivory inlaid stock is one of the most superb stocks we have seen and is a true work of art. The ivory inlay is profusely covering most of the pistol and is of the highest quality. It has scenes of hunters on foot & horse back firing wheel lock rifles at game as well as hunting dogs and men with spears. The pistol is adorned with Gothic motifs and figurines allover. It is dated 1589 AD on the underside of the gun in the ivory inlay in front of the trigger. Complete with its original ivory tipped ebony ramrod plus its original and also rare combination winding tool/screw driver. This pistol was formerly from the famous Clay P. Bedord collection and is pictured in his book and also the book "Worlds Greatest 100 Guns". This is the first time an item of this rarity and quality has been offered for sale in New Zealand. Ex.W.O.& C. N.L.R.

**330 - WHEEL LOCK PISTOL**

A very nice rare wheel lock pistol. The pistol is most probably German and circa 1500's. 10" Approximat 54 bore octagonal steel barrel. The barrel and lock plate retain a lot of overall finish. The wood stock is profusely inlaid in ivory and features a floral and spiral pattern all over as well as a mythical double horseheaded beast with serpent tongues. The stock is in good condition with a small split near one of the screws. Complete with original ivory tipped ramrod. Items like this are seldom offered for sale. G-V.G.W.O.& C. N.L.R.

**331 - FLINTLOCK FOWLING PIECE**

A very fine high grade and early English sporting/fowling piece by William Bailes of London circa 1759. 37 1/2" Octagonal to round smooth bore barrel in 8 bore caliber. Early London proof marks at the muzzle also marked Bailes Russel St. Bloomsbury London. Small sunbursts with balluster turn at the transition to round. The lock plate is line edged engraved and marked W.Bailes. The cock and frizzen are also edge engraved. The furniture is all silver with hall marks under the grip, it is line edge engraved and has floral and shell pattern on the trigger guard extending into an acorn shaped finial. The walnut stock is beautifully silver wire inlaid on the opposite side of the lock and wrist of the gun with floral motif. The ramrod guide is also silver as well as the butt plate which is engraved on the top of the stock also with silver hall marks. The stock has its original leather cheek piece which has some cracks but unusually it has lasted. This gun is formerly of the Clay P.Bedford collection and has survived in exceptional original condition retaining a lot of original brown and blue finish. Ex.C. N.L.R.

**332 - PRINCE'S PATENT RIFLE**

A rare and desirable Prince's Patent breech loading rifle. 30" .577 Caliber barrel with nearly all its original brown finish. The lock plate marked Prince & Green 138 New Bond St. London and is border line engraved with thinning original finish. The top of the action marked Prince's Patent IAC. The hammer is also borderline engraved, the steel trigger guard maked serial #189 and is also line engraved. Very good original walnut chequered stock with steel butt plate. Formerly from the late Keith Neal collection and is pictured in the book Game Guns & Rifles by Hastings. An opportunity to own the first type of breech loading rifle. V.G.W.O.& C. A.L.R.

**333 - ALEXANDER HENRY SHOTGUN**

A nice 20 gauge Alexander Henry take down falling block 20 gauge shotgun. 27 1/4" Barrel which has been bred out from 500 express which is marked on the barrel as well as Alex. Henry London. The barrel has dark overall patina with thin overall blue. The steel action is fully engraved in floral twists and marked Alex Henry. Very good original chequered walnut stock. V.G.W.O.& C. A.L.R.

**334 - HAWKSLEY FLASK**

A rare Hawksley marked powder flask. Copper and brass with decorative pattern in unused condition. Ex.C.

**335 - RUGER #1 RIFLE**

A high quality U.S. Ruger #1 falling block S/shot rifle. 23" Heavy barrel in .22-250 caliber marked Ruger etc. Receiver also marked Ruger etc. Receiver also marked Ruger #1. The metalwork has nearly all its original blue. The action is fitted with top of the range mounts and Leupold VX111 6.5-20 power scope. Good condition walnut stock with small dings and scratches in parts. Fitted with Harris Bipod. V.G.W.O.& C. A.L.R.

**336 - CUSTOM RIFLE**

A New Zealand J.Jongmans custom bolt action sporting rifle. 21 1/2" Hexagonal barrel without sights in .270 caliber. The receiver is fitted with steel bases & rings, plus a German Pecar brand Champion Model 4 power scope which appears to be in V.G.C. Metalwork retains near all its original blue finish, very good walnut chequered stock with some small dings and scratches and the butt pad has deteriorated some. A unique opportunity to purchase a piece of N.Z. firearms making history. V.G.W.O.& C. A.L.R.

**337 - COMBINATION GUN**

A nice quality German under/over combination gun by German retailer Kettner of Cologne, manufactured by Italian Company Bettinsoli. 23" 12 Gauge barrel over a rifle barrel in 6.5x57R caliber. The barrel has full rib with swamping in front of the fore sight and around the rear sight, as well as quick detach mount hole near base. The action finished in the white with foliage engraving all over. Plus Deer heads on both sides. Metalwork has near all its original finish. Very good chequered walnut stock. Ex.W.O.& C. A.L.R.

**338 - MIROKU SHOTGUN**

A high quality Japanese Miroku MK10 12 gauge sporter shotgun. 28" Invector choke barrels with porting and low rib. Metalwork finished in the white with grade 3 engraving of foliage and birds. Very good to excellent chequered walnut woodwork, includes spare chokes. VG-Ex.W.O.& C. A.L.R.

## **CARVELL'S AUCTIONS** **STANDARD CONDITIONS OF SALE**

1. Buyers Premium. Buyers will be charged 10% of the hammer price, G.S.T. will be charged on the buyers premium only. Vendors will be charged 10% selling commission, plus 1% Insurance & G.S.T. on these charges only.
2. All lots sold as shown & with all faults, imperfections & errors of description. The Auctioneers act as agent: they have full discretion to refuse any bidding or to withdraw any lot or lots from the sale without in either case giving any reason: neither they nor the vendor are responsible for errors of description or for genuineness or authenticity of any lot or for any fault or defect in it, & make no warrant whatever. Due to the accurate reproduction of some badges & particularly German, we catalogue all such items as they appear to be, this is in line with major auction houses worldwide, it is up to the bidder to satisfy himself on any such lots.
3. The highest bidder to be the purchaser, subject to the Auctioneers having the right to refuse bidding of any person. Should any dispute arise as to the biddings the lot in dispute to be immediately put up for sale again at the preceding bidding or the Auctioneers may declare the purchaser.
4. No person shall advance less at a bid than the sum to be nominated by the Auctioneer & no bid shall be retracted.
5. All lots sold subject to the right of the seller or his agent to impose a reserve.
6. The purchaser to give his name, address, firearms license details & to pay for all lots in full at the conclusion of the sale. In default of which matters the lot or lots purchased may be immediately resold.
7. The lots are at the buyer's risk from the fall of the hammer & are to be taken away at the buyer's expense, in default of which the Auctioneers will not hold themselves responsible if the same are lost, stolen damaged or otherwise destroyed, but they will be left at sole risk of the purchaser. If the lots are not cleared or paid for, they may be sold immediately without prior notice being given to the defaulter.
8. Firearms Licenses and /or appropriate permits must be produced along with receipted invoices prior to delivery of any lot.
9. Payment: Bank Cheque, Cash, Personal Cheques by arrangement, the Auctioneers reserve the right to request identification in the case of any purchaser not known to the Auctioneers. Credit Cards i.e. Bank Card/Visa will be accepted, however a 3% service charge will apply.
10. The Auctioneers cannot be held responsible for any injury or damage to persons or property thru attempts to fire any firearms which are sold as collectors items only, this also applies to all ammunition.
11. **POSTAL BIDS:** Lots will be bought as favourably as allowed by other such bids, bidding on the floor and any reserve. All bids must be accompanied by a signed photo copy of your firearms license. Only successful bidders will be notified. Freight and Packing charges incurred will be paid by the successful bidder. we dispatch via Courier, street address or suitable drop point, **PLEASE NO PO BOXES.** We take all care but accept no responsibility. Each package has \$1500 insurance limit, also applies to items sent by post.
12. **POSTAL BIDDERS: PAYMENT MUST BE MADE ON RECEIPT OF INVOICE, DO NOT WAIT UNTIL YOU GET YOUR PERMITS, DELAY HOLD UP PAYMENT TO OUR VENDORS.**
13. **FIRST TIME BIDDERS** will need to establish a line of credit by supplying credit card details
14. We accept your bids in good faith however bad debts and change of mind are not acceptable. Recovery of debts will be strongly pursued through legal channels
15. If you are bidding on behalf of another person you are responsible for inspecting the item and payment.
