The back action lock is also marked with makers name. The action, triggerguard and hammers are engraved with foliate and bird designs. Metalwork has an area of pinpricking on top and side of the barrels as well as quite heavy marks to half of the right hand side of the lock plate. Finely escutcheon one piece wooden stock with percussion trap in the butt. A few small chips missing on the left hand side GWO&C NLR

102 - TRANTER PERCUSSION REVOLVER

Antique circa 1850's English double trigger second model self cocking revolver. 6" Octagonal 54 bore barrel. The top strap is marked with retailers name J VEISLEY. The frame is marked No 4750 T (*Tranters manufacture*) and has a safety spring as well as engraving to some of the action and breech. Fitted with Tranters patent rammer with key pivot connection. Metalwork has around 1/3 of the original blue to the barrel but has flaked in other areas and has dark patina. The action indexes and fires, but the trigger return spring is at fault. VGC finely chequered original grips. G-VGWO&C NLR

103 - SMALL BOXLOCK TRAVELLING PISTOL

A small Muff or Travelling percussion pistol by English makers Meredith & Moxham, circa 1820, this early percussion pistol which also has the patent information marked on the barrel - By permission of Forsyth the Patentee - (*Forsyth was notably the inventor of the percussion cap*). This is not often seen on percussion pistols and in our opinion makes this a very early percussion period pistol. The 2 1/4" round turn off barrel is approximately .46cal/40 bore and is marked MEREDITH & MOXHAM LONDON and the above mentioned patent information as well as Birmingham proof marks and engraving to the muzzle. The rounded boxlock action features a concealed trigger and safety and is nicely engraved with stand of flags and sunburst designs. Metalwork has grey metal patina and blue to the hammer. VGC finely chequered wooden grip with blank silver escutcheon. VGWO&C NLR

A very scarce and rare American Civil War Confederate Navy contract LeMat and Girards patent two barrel revolver. (In the book on LeMats by Doug Adams, he states that the London LeMats serial numbered in the 8000-9000 range were part of a Confederate Navy contract made by Tipping & Co in England). 6 1/2" Octagonal .42 cal rifled barrel with 16 guage shotgun 'grapes shot' barrel underneath. The top of the barrel is correctly marked in block letters LEMAT & GIRARD'S PATENT LONDON. The side is marked with Birmingham proof marks and the other side with the serial number 8440 which is also located on the cylinder and frame. The shotgun barrel is marked with Birmingham proof mark and '18' (bore diameter). The barrel is fitted with left hand side hammer. The 9 shot cylinder is also marked with Birmingham proofs. The frame has a single pin barrel assembly with Knurled locking nut and oval triggerguard. The hammer has the central fold down nose to fire the shotgun barrel. Metalwork has nice overall dark patina with large areas of dulling blue to the frame and some bruising to the barrel. VGC original chequered wooden grips with solid butt cap with lanyard loop. This model is the last of the percussion LeMats and is a unique opportunity for the discerning collector. VGWO&C NLR Est. \$8,000 - \$14,000

190 - ARTILLERY LUGER PISTOL

A very fine example of a WWI Imperial German LP08 'Artillery' model Luger pistol and Rig. 8" 9mm cal barrel with original sights and marked with serial number and ordnance mark, the chamber dated 1917 and Imperial proofs on the right hand side. The toggle marked DWM. All serial numbers on the gun are matching including the magazine (they seldom match) Metalwork retains most overall original blue and faint straw colours. Some typical holster wear at the muzzle and leading edges. ExC original wooden grips. The back strap is unit marked JR 448 9K. According to Jan C Still this unit was in Paschendaale at the same time as the New Zealanders. Complete with its Imperial proof marked wooden stock with shoulder straps, boot and 1916 dated holster with stripping tool and correct cleaning rod. This gun is a WWI NZ capture gun by Otago Regiment Soldier J Morton at Paschendaale. The holster is lightly etched J.MORTON. N.Z. This is an excellent example of an Artillery Luger and an amazing piece of NZ WWI history. ExWO&C B/CLR

191 - SNAIL DRUM MAGAZINE

32R second model Luger snail drum magazine for the Artillery model pistol. Retains most original blue and marked with Army acceptance mark, serial number, counters and B/N Nurnberg makers mark, some minor speckling. ExWO&C

192 - 1916 LUGER PISTOL

Imperial German Great War Luger P08 pistol. 4" 9mm cal barrel marked with Army acceptance mark and serial number, the chamber dated 1916. The toggle marked DWM and the side with Imperial proofs etc. Metalwork retains near all original blue with just a bit of loss due to holster wear around the muzzle, sideplate and leading edges of the frame. The straw colours are still bright. ExC original grips. All external numbers are matching including the magazine which usually doesn't match. Contained in its original brown leather holster with F.W. KINKEL makers mark under the flap and has correct stripping tool. The back has a German Unit mark 7D 10 10 4 I. Some splitting around the seam of the holster. ExWO&C B/CLR

193 - KRIEGHOFF LUGER PISTOL P893

An extremely rare side frame marked P code Luger manufactured by Krieghoff for commercial sales in Germany between 1935 and 1937. 4" 9mm cal barrel marked with the Krieghoff/Luftwaffe Eagle over 2 proof and Crown over N proof and without serial number. The chamber without markings, the toggle is stamped with H/Anchor/K logo over KRIEGHOFF SUHL. The side frame is marked Heinrich Krieghoff Waffenfabrik Suhl. The front of the frame is serial numbered P893 and the 893 is also marked on the side of the frame and magazine. Most of the small parts are not numbered which is correct for this model which is only 1 of 200 produced with commercial/Military serial numbers. The metalwork is in ExC retaining nearly all original bright blue and straw colours to the small parts and only shows extremely minor holster wear to the high points of the gun. ExC original brown plastic grips. Bore is in ExC and shows little use. Contained in its correct period brown leather holster with stripping tool and period magazine. This is a unique opportunity for the serious Luger collection in as good as it gets condition. From the M Willis Collection. ExWO&C B/CLR Est. \$10,000 - \$12,000

194 - CASED M1893 BORCHARDT PISTOL

An extremely rare and seldom seen cased Borchardt semi automatic pistol. Manufactured by Ludwig Lowe of Berlin (who later became D.W.M.) In 1893 this pistol was the first successful semi automatic pistol produced. Designed by Hugo Borchardt and in 1899 modified by Georg Luger to become the Borchardt Luger, made for the Swiss Army and the prototype for the Luger pistol of world wide fame. 7 1/2" 7.63mm Borchardt caliber barrel marked with B.U.G proofs and serial number 351 (the gun is all matching numbers except the magazines). Chamber is marked WAFFEN-FABRIK LOEWE BERLIN and BU proofed on the side. The toggle is marked D.R.P. No 75837. Right hand side of the frame is marked SYSTEM BORCHARDT.PATENT. Metalwork retains 98% of its original blue and straw colours. ExC original finely chequered wooden grips. Presented in a 1920's period correct compartmentalized green felt lined leather bound case. The case contains all the correct accoutrements including three additional magazines, correct original stamped wooden hold open device and combination brass cleaning rod and oiler, correct wooden stock with cheek piece, holster, sling, oil can, pin punches, screw driver and an extremely rare original English language instruction book with three exceptional fold out line drawings and like the gun, is in excellent condition. This extremely rare ensemble has been in New Zealand for well over 30 years and never been offered for sale before by us. It is the "Holy Grail" for any serious Luger or semi automatic pistol collector. From the M. Willis Collection, Murray will be available at the auction to discuss this and other items on offer from his collection. ExWO&C CLR EST \$45,000 - \$50,000

NOTES

We will have an arms officer in attendance for your convenience to arrange permits.

* Pistol Club shooters – If you wish to uplift a pistol on your B license at the auction you will have to bring with you a “pink” form from your pistol club secretary. Otherwise you can arrange to pick up the pistol at a later date

We will have EFTPOS for your convenience. Note there is often a \$1200 or \$2000 limit set by your bank We accept Visa and Mastercard – 3% surcharge will apply for credit cards. Sorry we do not accept American Express.

Please bring gun bags and/or lock boxes for transport of firearms from the venue.

POSTAL BIDDERS

We guarantee to get your lots at the lowest possible price having regard to the next highest postal bid, bidding of the floor and any reserves. Send your bids early, if two bids are the same the first bid we receive takes preference. Fax or post your bids on the postal bidding form included with the catalogue to the number or address below. Payment must be made on receipt of invoice. Do not wait until you get your permits as delay hold up payments to our vendors. Sorry we can not courier to post boxes, our courier requires a physical address. International bidders please see below and contact us for an estimate on freight and other charges.

BUYERS PREMIUM

10% Buyers premium on the hammer price applies plus 15% G.S.T (G.S.T is on the premium only)

POSTAL REQUIREMENT OF 1993 ARMS ACT

All firearms and ammunition (excluding antique) require an accompanying statement from a police officer validating your license. A form can be downloaded from our website. Pistols, restricted weapons & military style semi automatics require a permit to procure before delivery.

EXPORT – We can export to most countries. Firearms including antique have to be exported via air freight. We have a freight forwarder who can organise this for you. An export license will need to be obtained. We charge a \$60 fee for our time in organising the export and packaging, The freight forwarder will charge you for the NZ export license and the freight for the firearm(s). This is usually charged forward and you will pay this on receiving your goods. The export process can take around 4-8 weeks. For an estimate of the export license and freight charges please contact us. NZ G.S.T (VAT/sales tax) is only on the commission / buyers premium portion of the items, because this service occurs in New Zealand this must be charged on exports. Items that are not firearms can be sent via NZ postal service and will be charged at that rate plus packaging. Some items with historical significance to New Zealand may not be able to be exported.

CARVELL'S AUCTIONS

STANDARD CONDITIONS OF SALE

1. **Buyers Premium.** Buyers will be charged 10% of the hammer price, GST of 15% will be charged on the buyers premium only.
2. All lots sold as shown & with all faults, imperfections and errors of description. The Auctioneers act as agent: they have full discretion to refuse any bidding or to withdraw any lot or lots from the sale without in either case giving any reason: neither they nor the vendor are responsible for errors of description or for genuineness or authenticity of any lot or for any fault or defect in it and make no warranty. Due to the accurate reproduction of some badges and particularly German, we catalogue all such items as they appear to be, this is in line with major auction houses worldwide, it is up to the bidder to satisfy himself on any such lots.
3. The highest bidder to be the purchaser, subject to the Auctioneers having the right to refuse bidding of any person. Should any dispute arise as to the biddings the lot in dispute is to be immediately put up for sale again at the preceding bidding or the Auctioneers may declare the purchaser.
4. No person shall advance less at a bid than the sum to be nominated by the Auctioneer and no bid shall be retracted.
5. All lots sold subject to the right of the seller or his agent to impose a reserve.
6. The purchaser to give his name, address, firearms license details and to pay for all lots in full at the conclusion of the sale. In default of which matters the lot or lots purchased may be immediately resold.
7. The lots are at the buyer's risk from the fall of the hammer and are to be taken away at the buyer's expense, in default of which the Auctioneers will not hold themselves responsible if the same are lost, stolen, damaged or otherwise destroyed, but they will be left at sole risk of the purchaser. If the lots are not cleared or paid for, they may be sold immediately without prior notice being given to the defaulter.
8. Firearms Licenses and or appropriate permits must be produced along with receipted invoices prior to delivery of any lot.
9. **Payment:** Payment must be made on the day of the auction unless prior organised with Carvells Auctions. Payment options are Eftpos, Bank Cheque, Cash, Personal Cheques and internet bank transfer by arrangement, the Auctioneers reserve the right to request identification in the case of any purchaser not known to the Auctioneers. Credit Cards ie Master Card/ Visa will be accepted, however a 3% service charge will apply. Note the bank often has a limit of around \$2000 per day for eftpos
10. The Auctioneers cannot be held responsible for any injury or damage to persons or property thru attempts to fire any firearms which are sold as collectors items only, this also applies to all ammunition.
11. **POSTAL BIDS:** Lots will be bought as favourably as allowed by other such bids, bidding on the floor and any reserve. All bids must be accompanied by a signed photo copy of your firearms license. Only successful bidders will be notified. Freight and Packing charges incurred will be paid by the successful bidder. We dispatch via Courier, street address or suitable drop point, PLEASE NO PO BOXES. We take all care but accept no responsibility. Each package has \$1000 insurance limit, also applies to items sent by post.
12. **POSTAL BIDDERS: PAYMENT MUST BE MADE ON RECEIPT OF INVOICE,** Do not wait until you get your permits, delays hold up payment to our vendors.
13. **FIRST TIME BIDDERS** will need to establish a line of credit by supplying credit card details.
14. We accept your bids in good faith however bad debts and change of mind are not acceptable. Recovery of debts will be strongly pursued through legal channels.
15. If you are bidding on behalf of another person you are responsible for inspecting the item and payment.
16. Measurements and weights are only an approximate.
