A seldom seen for sale Mauser G Date Luger pistol. 4" 9mm cal barrel, the chamber marked with G (*secret code for the year 1936 to foil the Versailles Arms Inspectors*). The toggle marked S/42 (*Mauser code*). All serial numbers are matching except the magazine which is the correct type. Metalwork retains most overall original blue finish with a bit of holster wear to the typical areas and staining above the left hand grip. VGC original grips and complete with its correct 1936 dated holster with stripping tool and extra magazine. G coded Lugers are one of the first Lugers produced in the re-arming of Germany in the 1930's and this is one of the few examples we have encountered. VG-ExWO&C B/CLR

145 - VICKERS LUGER PISTOL

A rare 9mm Dutch Vickers Luger. Manufactured in the Woolwich arsenal of Bickers at Erith in Kent England, circa 1921. DWM Berlin were forbidden to export firearms under the treaty of Versailles, for the Dutch East Indies Army (*Indonesia*). Originally believed by American Luger 'experts' to have been assembled from parts from DWM. Recent British research has found that they are completely made by the famous Vickers company who 'tooled up' for the contract. They were shipped to Batavia in the white and completed at the arsenal with coarse wooden grips. 4" Barrel with serial number and British proofs, unmarked chamber with Dutch proof on the side. The toggle marked VICKERS LTD and the safety rust. The frame is 1906 grip safety type same as original Dutch contract. Metalwork is in good order but shows signs of the harsh tropical conditions of the East Indies. Complete with what is believed to be the correct holster and Batavia arsenal made cleaning rod and has a spare magazine. This is an interesting, rare and historic Luger variation from the Willis collection. VGWO&C B/CLR

146 - REMINGTON 700 RIFLE

U.S bolt action tactical/target rifle. 20" .308 cal blued fluted heavy barrel with 1 in 12" twist rate. The serial number under the loading lever is in the 1700 range. Metalwork has nice crisp edges and large areas of original blue thinning to grey. VGC original oil finished grips. With all production for the Military this is a desirable Cival War era revolver. VG-ExWO&C NLR

194 - REMINGTON BEALS ARMY REVOLVER

Antique, circa 1861-62 percussion single action revolver. 8" .44 cal octagonal barrel marked BEALS PATENT SEPT.14 1858/MANUFACTURED BY REMINGTONS ILLION, NY. Early two digit serial number located under the loading lever. Metalwork has dark grey aged patina with some speckling but not too heavily cleaned. Brass trigger guard and walnut grips with an aged crack repair on the right hand side. Missing the front grip screw and the lanyard ring at the base/underside of the grip. With only approx. 2,000 of these made this is a rare and seldom seen Cival War era revolver. G-VGWO&C NLR

195 - ROGERS & SPENCER REVOLVER

Antique U.S, circa 1863-65, single action percussion Army model revolver. 7¼" .44 cal octagonal barrel with hinged type loading lever. The top strap is marked ROGERS & SPENCER UTICA N.Y. The major external parts bear a B inspection mark. Metalwork has grey to dark patina with some bruising. VGC oil finished original grips. The cylinder removal pin is missing otherwise GWO&C NLR

196 - PERCUSSION TURN OVER PISTOL

A high quality antique, circa 1840's, Belgian double barrel percussion turn over pistol. 6" .50 cal steel round barrels with Liege proofing. Boxlock action with concealed trigger and dolphin hammer. The action is nicely engraved with foliate designs on both sides of the tangs. Metalwork has nice grey dark original patina to the barrels and white finish to the action. The one piece walnut features extremely fine chequering and a silver shield shaped name escucheon. ExWO&C NLR

197 - TAP ACTION PISTOLS

A pair of nice quality antique Belgian tap action percussion double barrel pistols, circa 1840's. 3" .41 cal/65 bore barrels. Left hand side of the action by the tap to activate the second barrel are Belgian Liege proofs. Boxlock actions are engraved with vase and foliate designs. Metalwork finished in the white and with very little staining. ExC one piece drop shaped handles. VGWO&C NLR

To help with transport for firearms from the auction venue please bring gun bags and/or lock boxes.

198 - FRENCH FLINTLOCK DOUBLE PISTOL

A very good quality antique French carriage pistol. 7" .50 cal barrels engraved Domeret de Tulle and CANON ARUEANS in the centre. Brass banana shaped locks with boarderline engraving and marked MANUFACTURE DE TULLE. The cocks are reinforced type and the action is crisp. Metalwork with nice original dark grey patina. GC original woodwork relief carved in the French style with hunting dog butt. A quality international piece for the discerning collector. VGWO&C NLR EST 7000-10000

198

199 - KAVANAGH 10 BORE PERCUSSION RIFLE

A fine quality antique, circa 1850's, big game hunting rifle by notable Irish Gun Maker William Kavanagh. 32" 10 bore .78 cal rifled damascus twist barrel marked KAVANAGH 12 DAME ST. DUBLIN. The foresight is silver and the rear sight is flip up, graduated to 750 yards but missing the slider (*possible replacement*). The breech end of the barrel has a platinum band and plug as well as foliate designs extending into the wrist. The back action lock is marked KAVANAGH and is profusely engraved with foliate designs and Elk. The hammer is dolphin style, metalwork has nice original patina with dull original finish to the barrels. VGC walnut 1/2 stock with engraved steel furniture extending to pineapple and spear shaped finials and Ebony tip. There is three small repairs at the edge of the lock plate and above the trigger and next to the barrel. Steel butt plate and patch box also with engraving. Complete with original brass tipped ram rod. Heavy 10 bore percussion rifles are rare and seldom seen for sale. VGWO&C NLR EST 10000-15000

199

219

200 - BECKWITH BLUNDERBUSS

Flintlock Blunderbuss/Musketoone, circa early 19th century, by William A Beckwith. 15 3/4" Octagonal to round barrel with cannon flared muzzle measuring a massive 1 1/4" and marked with London proofs. The flick steel bayonet has Crown/DL inspection mark. The lock plate with borderline and sunburst engraving is marked BECKWITH and with 1/2 cock safety, roller spring frizzel and water proof pan. Metalwork has nice aged patina to the brass and steel work. VGC woodwork with brass furniture with engraving and pineapple and spear shape finials. There is an aged crack on the back side of the lock. Complete with original ram rod. These large Blunderbuss/Musketoone (*this one measures 80cm overall*) were used for protecting castles and close quarters fighting unlike the smaller coaching Blunderbusses which are more commonly encountered. VGWO&C NLR EST 7000-9000

CARVELL'S AUCTIONS STANDARD CONDITIONS OF SALE

1. Buyers Premium. Buyers will be charged 12% of the hammer price, G.S.T. will be charged on the buyers premium only.
2. All lots sold as shown & with all faults, imperfections & errors of description. The Auctioneers act as agent: they have full discretion to refuse any bidding or to withdraw any lot or lots from the sale without in either case giving any reason: neither they nor the vendor are responsible for errors of description or for genuineness or authenticity of any lot or for any fault or defect in it, & make no warrant whatever. Due to the accurate reproduction of some badges & particularly German, we catalogue all such items as they appear to be, this is in line with major auction houses worldwide, it is up to the bidder to satisfy himself on any such lots.
3. The highest bidder to be the purchaser, subject to the Auctioneers having the right to refuse bidding of any person. Should any dispute arise as to the biddings the lot in dispute to be immediately put up for sale again at the preceding bidding or the Auctioneers may declare the purchaser.
4. No person shall advance less at a bid than the sum to be nominated by the Auctioneer & no bid shall be retracted.
5. All lots sold subject to the right of the seller or his agent to impose a reserve.
6. The purchaser to give his name, address, firearms license details & to pay for all lots in full at the conclusion of the sale. In default of which matters the lot or lots purchased may be immediately resold.
7. The lots are at the buyer's risk from the fall of the hammer & are to be taken away at the buyer's expense, in default of which the Auctioneers will not hold themselves responsible if the same are lost, stolen damaged or otherwise destroyed, but they will be left at sole risk of the purchaser. If the lots are not cleared or paid for, they may be sold immediately without prior notice being given to the defaulter.
8. Firearms Licenses and /or appropriate permits must be produced along with receipted invoices prior to delivery of any lot.
9. Payment: Bank Cheque, Cash, Personal Cheques by arrangement, the Auctioneers reserve the right to request identification in the case of any purchaser not known to the Auctioneers. Credit Cards i.e. Mastercard/Visa will be accepted, however a 3% service charge will apply.
10. The Auctioneers cannot be held responsible for any injury or damage to persons or property thru attempts to fire any firearms which are all sold as collectors items only, this also applies to all ammunition.
11. **POSTAL BIDS:** Lots will be bought as favorably as allowed by other such bids, bidding on the floor and any reserve. All bids must be accompanied by a signed photo copy of your firearms license. Only successful bidders will be notified. Freight and Packing charges incurred will be paid by the successful bidder. we dispatch via Courier, street address or suitable drop point, **PLEASE NO P.O BOXES.** We take all care but accept no responsibility. Each package has \$1000 insurance limit, also applies to items sent by post.
12. **POSTAL BIDDERS: PAYMENT MUST BE MADE ON RECEIPT OF INVOICE, DO NOT WAIT UNTIL YOU GET YOUR PERMITS, DELAY HOLD UP PAYMENT TO OUR VENDORS.**
13. **FIRST TIME BIDDERS** will need to establish a line of credit by supplying credit card details
14. We accept your bids in good faith however bad debts and change of mind are not acceptable. Recovery of debts will be strongly pursued through legal channels
15. If you are bidding on behalf of another person you are responsible for inspecting the item and payment.
16. Weights and measures are only an approximate.

We will have an arms officer in attendance for your convenience to arrange permits.

* Pistol Club shooters – If you wish to uplift a pistol on your B license at the auction you will have to bring with you a “pink” form from your pistol club secretary. Otherwise you can arrange to pick up the pistol at a later date.

We will have EFTPOS for your convenience. Note there is often a bank limit on eftpos of \$2000. We accept Visa and Mastercard – 3% surcharge will apply for credit cards. Sorry we do not accept American Express.

Please bring gun bags and/or lock boxes for transport of firearms from the venue.

POSTAL BIDDERS

We guarantee to get your lots at the lowest possible price having regard to the next highest postal bid, bidding of the floor and any reserves. Send your bids early, if two bids are the same the first bid we receive takes preference. Fax or post your bids on the postal bidding form included with the catalogue to the number or address below. Payment must be made on receipt of invoice. Do not wait until you get your permits as delay hold up payments to our vendors. Sorry we can not courier to post boxes, our courier requires a physical address. International bidders please contact us for an estimate on freight and other charges.

BUYERS PREMIUM

12% Buyers premium on the hammer price applies plus G.S.T on the premium only

POSTAL REQUIREMENT - All firearms and ammunition (excluding antique) require a mail order form from a police officer validating your license. This form is forwarded on your behalf to us from your local Arms Officer / Police station. Pistols, restricted weapons & military style semi automatics require a permit to procure before delivery.
