154 - SS OFFICERS DAGGER

A rear and desirable WWII German SS 1936 model chained dagger. 22cm polished blade with early high quality finish and etched with the motto *Meine Ehre heist treue*. The blade is correctly without makers or rzm marks and only has very minor scratches. ExC nickel silver crossguard and fittings. The grip is also in ExC with nickel silver emblem and enamel runes. The chain is type one with well stamped SS runes on the back and high relief skulls. ExC anodized black scabbard with some speckle staining to the plating at the tip. One of the nicest examples of this type we have encountered and a unique opportunity for the discerning German collector. ExC
EST 5500-7500

155 - GERMAN ARMY DAGGER

A nice example of a WWII German Army Officers dagger. 26cm blade in near ExC with WKC Solingen Knights head makers mark. Silver plated fittings with "Tomahawk" style eagle head on the guard. ExC deep amber coloured celluloid grips complete with slightly worn knot. VGC original pebble grain scabbard complete with makers mark D.R.G.M. ExC

**156 - SA DAGGER**

WWII German SA enlisted dagger. 22cm blade marked with RZM logo and M7/12 makers mark (Weysenberg) as well as the motto. Some greying to the blade. VGC plated steel guards with nice tight fit, some cracking to the grip. The scabbard with hanger. Has what appears to be original black enamel finish so most likely from SS dagger. GC

157 - WWII LUGER PISTOL

Nazi Germany Army issue P08 pistol. 4" 9mm cal barrel with original foresight and marked with the serial number and Army acceptance mark. The chamber is dated 1940 and the toggle is code marked 42 for Mauser as well as Waffentamt marked. Metalwork retains nearly all original salt blue finish including the small parts which are also correctly blued. Slight holster wear to the side plate and muzzle. ExC original walnut grips. All visible serial numbers including the magazine are matching. Hard to find better. ExWO&C B/CLR

158 - WWII P38 PISTOL

WWII Nazi German semi automatic pistol. 5" 9mm cal barrel with original foresight and serial number. The slide is marked P38 ac 43 (Walther code 1943) and the serial number which is also matching on the frame. Also marked with acceptance mark and Waffentamt 359 codes which are also on the frame and original magazine. Metalwork retains near all original blue finish thinning on the grip strap. ExC original bakelite grips. Hard to find better. ExWO&C B/CLR

159 - EXTRA LONG COLT 1911 MAGAZINE

An extremely rare and unusual 41 shot Colt .45 acp 1911 magazine. Measures 60cm in overall length and with circular counters on both sides. The base is marked 45 AUTO, the body has a couple of dents and some patina staining. The blue is of the early 20th Century commercial style and we believe this was most likely made for use in a WWI bi plane by the pilot/observer. This item shows good age and construction consistent with this period when many pistols were modified for use in these early air battles. GC

160 - GOLD COMBAT CLASP

Rare Nazi German zinc construction gold combat clasp. Showing a good amount of wear and age. Convex front, crimped rear plate with bottle shaped pin, 70x25cm. VGC

161 - LUFTWAFFE PARATROOPERS AWARD

Early WWII heavy nickel construction. Near all gilt to the eagle and Swastika, dark wreath with silver highlights. Back marked GH OSANG DRESDON. 54x41mm. ExC

162 - IRON CROSS WITH BAR

First Class WWI Iron Cross with WWII bar, cross with crown over W and 1914 bar and eagle 1939 date. Flat bottle pin, some oxidation in the corners of the cross but most thinning enamel finish, 73x45mm. VGC

163 - PILOTS BADGE

Late War Luftwaffe Pilots award. Blackened wreath and eagle marked with A on the back and with round pin, 64x52mm. VGC

164 - COLT GOLD CUP PISTOL

High quality U.S target version of the Colt 1911 pistol. 5" .45 acp cal barrel. The slide with original Elliason adjustable sights and marked SERIES 80 COLT MKIV GOLD CUP NATIONAL MATCH. Metalwork retains nearly all original bright blue finish. ExC original walnut grips. Includes its original woodgrain cardboard box. ExWO&C B/CLR

165 - BROWNING HI POWER PISTOL

Belgian FN model 1935 semi auto pistol. 4.9" 9mm cal barrel, the slide with fixed sights and Herstal address. Frame with spur hammer. Metalwork has near all original blue with some mild scattered pin prick muzzle and slide holster wear. VGC original wooden grips. Includes 3 extra magazines. G-VGWO&C B/CLR

166 - REMINGTON RI PISTOL

U.S Remington modern variant of the 1911 semi auto pistol. 5" .45acp cal barrel with fixed sights. The slide with fixed sights and Remington markings. Metalwork with near all black matte finish. ExC original grips. Includes original box and extra magazine. ExWO&C B/CLR

167 - S&W HIGHWAY PATROLMAN REVOLVER

U.S Model 28.2 N frame double action revolver. 6" .357 magnum cal barrel with adjustable sights and S&W markings. The frame with logo and address. Metalwork has near all original blue and case colour finishes. VGC original grips. ExWO&C B/CLR

168 - WALTHER P38 PISTOL

Post war 9mm semi automatic pistol. 5" 9mm cal barrel, the slide with fixed sights and marked with the banner logo Ulm address and P38 etc. The frame is aluminium type and metalwork retains near all its black matte finish. ExC original fine chequered grips and P1 marked magazine. ExWO&C B/CLR

169 - 1911 MAGAZINES

Three 8R Chip McCormic brand .45acp cal magazines with bumper pads fitted, another with non branded magazine. All nickle finish. VGC

170 - BROWNING HI POWER MAGAZINE

Three blued 13R magazines for the 9mm semi auto pistol. GC

171 - BROWNING 1910 GRIPS

A pair of original grips for the Browning semi auto pistol. VGC

172 - COLT SAA GRIPS

Two pairs of original late model Colt made black plastic chequered grips plus one screw botz with rampant horse logo and marked on inside with revolver serial number plus Colt etc. VGC

173 - COLT AND BROWNING BOOKS

Standard catalog of Colt Firearms plus the standard catalog of Browning Firearms. Both hard cover, large format, colour photos and approx 280 pages covering all models and price guides. ExC

174 - SAVAGE PISTOL BOOK

Savage Pistols by Brower. Hard cover, large format, 268 pages and colour photos. Well presented extensive reference book. ExC

175 - STEVENS POCKET RIFLE

Antique, circa 1884-1896 Vernier new model pocket pistol. 10" round .22RF cal barrel with original sights and octagonal breech marked J STEVENS A. & T. CO. CHICOPEE FALLS MASS USA. The receiver and skeleton stock retain nearly all the original nickel silver finish. The barrel has most thinning original blue. ExC original walnut grips. The Vernier sight is missing the ladder. VG-ExWO&C B/CLR

176 - S&W NO 1½ REVOLVER

An unusual antique, circa 1870, transitional second issue model NO 1½ single action revolver. 5" .32rf cal octagonal barrel marked with London proofs and retailer F Gates Derby unusually without Smith and Wesson address. 6 shot smooth cylinder also with proof marks. The original nickle plating has flaked off much of the frame. ExC original ivory grips. Contained in its original blue baize lined walnut veneered case with turn screw, rod and some original ammunition. Missing the lock. GWO&C CLR

177 - S&W NO1 REVOLVER

U.S single action second issue No1 revolver. 3¼" .22 SHORT RF cal barrel marked SMITH & WESSON SPRINGFIELD MASS. The 7 shot cylinder with 1860 patent date. Frame retains most nickel thinning on the edges, barrel with dark patina. VGC walnut grips. Contained in its original blue baize lined case with rod and turn screw. Action fails to hold on cocked otherwise GWO&C CLR

**178 - WEBLEY KAUFMANN REVOLVER**

A circa late 1870's English Webley Kaufmann double action revolver. 5¾" .455 cal barrel marked on top with the retailers name C&H WESSON 7 NEW ROAD BRIGHTON. The frame with 6 shot fluted cylinder is marked WEBLEYS PATENT and the logo as well as MK inside triangle for the Kaufmann patent. Metalwork retains nearly all its original nickel plated finish with only a couple of small areas of loss near the grips and on the barrel rib. ExC original parrots beak chequered walnut grips with swivel lanyard ring. Contained in its original blue baize lined oak case with original retailers trade lable, glass oil bottle, turn screw, cleaning rod, pull through and key. In hard to beat ExWO&C CLR

179 - TRAPDOOR CARBINE

U.S Military model 1884 breech loading carbine. 20½" 45-70 cal barrel with original sights. The breech cover marked US MODEL 1884 and the lock plate with eagle and US SPRINGFIELD. Metalwork has original grey patina to the barrel and traces of case colours to the action. ExC original woodwork with two piece triggerguard and U.S marked butt plate. ExWO&C ALR

180 - TRAPDOOR SPRINGFIELD RIFLE

Antique U.S Military, circa 1876-77, model 1873 'trapdoor' breech loading rifle. 28" 45-70 cal round barrel with iron sights. The lock marked US MODEL 1873 and the plate marked with eagle and US SPRINGFIELD. Metalwork with dark original patina and traces of case colours to the action. Original woodwork with typical handling dings and missing swivels. G-VGWO&C ALR

181 - MAYNARD PATENT RIFLE

Antique U.S Maynards model 1882 single shot rifle. 28" Octagonal round barrel with flip up foresight and simple rear sight. At time of cataloging we are not certain on the caliber but it is most likely 44-60 or 44-70 cal. The frame is marked EDWARD MAYNARD PATENTEE with 1851 and 59 dates as well as MANUFACTURED BY MASS ARMS CO CHICOPEE FALLS 1882. The action has central mounted hammer and original apperture sight on the wrist. Metalwork has thinning original blue to the barrel with sharp edges. The action has grey metal patina. VGC original chequered woodwork. VGWO&C ALR

182 - FRANK WESSON 2 TRIGGER RIFLE

Rare and unusual antique U.S second type twin trigger single shot rifle, circa 1863-70. 24½" .22rf cal barrel with original iron sights and marked FRANK WESSON WORCESTER MASS and has a manual ejector on the side. The rounded frame uses the front trigger to open the action and back for firing. Metalwork has most blue to the action thinning on the edges and a few scratches and marks. The action has dark to grey patina. The original woodwork is in VGC except for an aged 10cm split at the wrist but is holding together well. VGWO&C ALR

183 - REMINGTON ROLLING BLOCK RIFLE

A nice example of an Antique U.S Remington No1 rolling block sporting rifle. 30" heavy octagonal barrel in 50-70 caliber with iron fixed sights and most overall blue finish. The left hand front of the action is marked with patents of 1864, 72 & 73 and grey patina with traces of case colour hardening. The wrist is fitted with Vernier type sight. ExC woodwork with nickel forend and crescent shape butt plate. ExWO&C ALR

184 - REMINGTON NO2 ROLLING BLOCK RIFLE

Antique U.S single shot rifle. 26" Octagonal 32-20 cal barrel with adjustable front and rear sight with Elevator marked REMINGTON ARMS CO ILLION N.Y U.S.A. Metalwork has most overall blue which has turned to a dark patina thinning on the edges. VGC original woodwork. VGWO&C ALR

185 - MARTIAL POWDER FLASK

Rare powder flask made from heavy black harness leather and has unusual side spring charger. Believed to be for Military for priming cannons, marked CGL in circle and 18. See page 428 Rilings. ExC

186 - AMERICAN POWDER FLASK

American flask and cap company bag shaped Man & Deer scene flask featuring an after the hunt scene with hunter and his dog and deer under a tree. Adjustable top with makers name. Some shallow denting to the surface, 24cm overall. GC

187 - TYPE 30 TRAINING RIFLE

Rare Imperial Japanese Arisaka training rifle modified from a Type 30 'Hook Safety' rifle. 32" 6.5 cal modified for blank barrel with original sights and bayonet lug. The top with 3 Kanji characters and without the Mon and no sign of one being present. Metalwork with dark overall blue and well handled woodwork. An interesting and hard to find rifle. VGWO&C ALR

188 - TYPE 38 TRAINING RIFLE

Imperial Japanese Arisaka training rifle. 27½" 6.5 blank barrel with original sights and bayonet lug. Metalwork with dust cover, retains most overall bright blue. ExC woodwork with crisp cartouche and original webbing sling. Hard to find better. ExWO&C ALR

189 - ARASAKA TRAINING BAYONET

Type 30 training bayonet with 38½ cm blunt edged blade in the white. Some staining to the blade. GC wooden grip with Japanese markings. Includes steel scabbard. VGC

190 - TYPE 96 MACHINEGUN

Very rare WWII Imperial Japanese Type 96 light machine gun. 21" 6.5mm cal fluted barrel with original sight and carry handle. The sight protector has been removed, most likely in the field. Left hand side of the receiver is fitted with its original dial operated sight. The right hand side of the receiver is marked with Tokyo/Kokura arsenal markings and Showa 15.4 for April 1940 manufacture. All external serial numbers except the bipod are matching. *(The bipod is within 100 of the gun and shows consistent wear and in our opinion has been like this all of its life).* The metalwork has dark original patina with the overall speckling that we find with guns that sore use in the Pacific. VGC original wooden pistol grip and butt stock, complete swivel also on the gas tube and its original magazine. This is a very unique opportunity for the advanced Japanese or Machinegun collector as these are seldom offered for sale and the first we have had in over a decade. VGWO&C CLR EST 7000-9000

191 - MG42 MACHINE GUN & MOUNT

WWII German machine gun. 21" 8mm cal barrel with iron sights. The feed cover is marked with twin Waffen amts WaA518 and Cof subcontractors code as well as the serial number which is matching on the receiver, butt stock and bolt, the triggerguard is also Waffen amt marked. Metalwork with most typical post war refinish, black painted stock and brown Bakelite grips and complete with bipod. Included is a WWII 1940 dated and Waffen amt marked laffette mount with post war calibration tag plus 2 drum magazines, three 50R Nazi marked links and post war loading machine. ExWO&C CLR EST 6500-10000

192 - MP 38 SUBMACHINE GUN

Rare and desirable WWII German S.M.G. 9.9" 9mm cal barrel with original sights, alloy strengthening rib and marked with serial number, army acceptance mark and Waffen amt 280 for Erma. The ribbed receiver with one piece cocking handle and original sight. The rear is marked MP38 27 (Erma) and 1938 date. VGC Bakelite one piece stock with cast aluminium frame. Metalwork has dark grey overall patina with traces of blue. The serial numbers on the front section are matching ie: the sight, barrel and magazine well etc. The serial number on the rear of the receiver, triggerguard and stock are different but are matching. The bolt and recoil tube are mismatched. VGWO&C CLR EST 11000-14000

**193 - RIGBY TURNOVER PISTOL**

Antique percussion turnover muff pistol by William and John Rigby, circa 1840-50. 1½" approx .41 cal turn off barrels. The boxlock action with concealed trigger is fully foliate and borderline engraved and marked WM & J RIGBY DUBLIN and retains near all original bright blue. ExC original finely chequered walnut grips with silver escucheons. Contained in a contemporary case with label, original mould and bullets. ExWO&C NLR

194 - SJ BOVY PERCUSSION PISTOLS

A cased pair of Belgian mid 19th century target/duelling pistols by S J BOVY. 8½" .52 cal barrels with dovetail fore-sights and notched rear on the tangs. The sides marked with Liege proofs and the underside S J BOVY. The white steel actions with engraving at the front and rear as well as fully engraved bat wing backing plate. The triggers are adjustable type and the hammers are dolphin design. Metalwork has grey cleaned metal finish with some staining. VGC one piece chequered stocks with steel butt plate and mounts extending into vase style finials. Contained in its original blue velvet lined case with all original accessories including flask, powder measure, oil bottle, mould mallet patch box and rods. A nice complete set most likely intended for retail in a European department store. VGWO&C NLR EST 7000-10000

195 - STEEL FLINTLOCK PISTOL

Rare and seldom seen all steel French/Continental double flintlock dragoon pistol, circa late 1600's. 12" approx .52 cal octagonal to round barrels with central rib and silver fore-sights. The banana shaped locks with sunburst and line engraving on the reinforced cocks. The one piece steel stock is also borderline and finial engraved. Metalwork has grey to dark aged patina. Includes later replacement steel ram rod. Action is at fault on one of the cocks otherwise VGC. NLR

196 - ENGRAVED COLT S/A REVOLVER

Custom engraved antique, circa 1878, Colt model 1873 Single Action Army revolver. 7½" .45 cal barrel marked on top COLT'S PT.F.A MFG CO HARTFORD CT U.S.A. The gun is profusely relief engraved with foliate designs and gold inlay designs. The barrel features gold bands and 7 horses on the left hand side in different tones of gold and rose gold, while the right hand side has 6 wolves also in varying tones of gold. The cylinder and recoil shield also have gold bands. The frame features a gold Colt horse, eagle and bust of Samuel Colt on the tang. The rest of the metalwork is finished in the white. The grips are screwless ivory with a thin hairline crack on the right hand side that has darkened with age. The base of the grips are inlaid in steel and also engraved. The front edge of the frame is signed J Jones Eng. The gun is contained in its Mahogany red baize lined case in the U.S/French style. The case also contains engraved ivory screw drivers and cleaning rods. This is a fine set with exhibition quality engraving for the advanced collector. ExWO&C CLR EST 15000-20000

197 - COLT M1878 REVOLVER

Antique, circa 1879, U.S double action Frontier revolver. 5½" .450 boxer cal barrel with ejector and marked with Colts Pall Mall London address. The cylinders are London proofed and the triggerguard is marked .45 CAL B. Metalwork has most blue to the frame and dark patina to the barrel. ExC original chequered walnut grips with lanyard ring. Trigger return on double action is at fault but otherwise action works well. These large Colt revolvers are seldom seen for sale. VGC B/CLR

198 - COLT 1860 ARMY REVOLVER

U.S Civil War period, circa 1863 percussion revolver. 8" .44 cal barrel with original silver fore sight marked - ADDRESS COL. SAM L COLT NEW YORK U.S. AMERICA. 3 screw frame marked COLTS PATENT. Metalwork has original blue to the barrel which is thinning and turning plum. The cylinder still has a visible scene and traces of case colours to the frame and loading lever. There are a few areas of minor pricking but finish is well above average. VGC oil finished walnut grips with inspectors cartouche. All serial numbers in the 116,000 range are matching. ExWO&C NLR

199 - COLT 1851 NAVY REVOLVER

Antique, circa 1852, percussion single action revolver. 7 1/2" .36 cal octagonal barrel marked - ADDRESS SAM L COLT NEW YORK CITY - and the frame marked COLTS PATENT. Metalwork has dark overall patina with some holster wear at the muzzle and traces of blue on the recoil shield and faint traces of cylinder scene. Most nickel finish to the brass small triggerguard and grip straps. All serial numbers are matching including the wedge. VGC original walnut grips. VGWO&C NLR

200 - REMINGTON RIDER BELT REVOLVER

Antique, circa 1860's, double action percussion revolver. 6 1/2" .36 cal octagonal barrel marked: MANUFACTURED BY REMINGTONS ILION N.Y RIDERS. PT. AUG 17 1858 MAY 5 1859. Frame with round 6 shot cylinder and brass triggerguard. Metalwork with sharp edges and grey patina with traces of blue. VGC original walnut grips. Action is strong and indexes well. A rare pistol with only 3000 made & these are seldom seen for sale. VG-ExWO&C NLR

NOTES

We will have an arms officer in attendance for your convenience to arrange permits.

* Pistol Club shooters – If you wish to uplift a pistol on your B license at the auction you will have to bring with you a “pink” form from your pistol club secretary. Otherwise you can arrange to pick up the pistol at a later date.

We will have EFTPOS for your convenience. Note there is often a bank limit on eftpos of \$2000. We accept Visa and Mastercard – 3% surcharge will apply for credit cards. Sorry we do not accept American Express.

Please bring gun bags and/or lock boxes for transport of firearms from the venue.

POSTAL BIDDERS

We guarantee to get your lots at the lowest possible price having regard to the next highest postal bid, bidding of the floor and any reserves. Send your bids early, if two bids are the same the first bid we receive takes preference. Fax or post your bids on the postal bidding form included with the catalogue to the number or address below. Payment must be made on receipt of invoice. Do not wait until you get your permits as delay hold up payments to our vendors. Sorry we can not courier to post boxes, our courier requires a physical address. International bidders please contact us for an estimate on freight and other charges.

BUYERS PREMIUM

12% Buyers premium on the hammer price applies plus G.S.T on the premium only

POSTAL REQUIREMENT OF 1993 ARMS ACT

All firearms and ammunition (excluding antique) require a mail order form from a police officer validating your license. This form is forwarded on your behalf to us from your local Arms Officer / Police station. Pistols, restricted weapons & military style semi automatics require a permit to procure before delivery

EXPORT – We can export to most countries. Firearms including antique have to be exported via air freight. We have a freight forwarder who can organise this for you. An export license will need to be obtained. We charge a \$80 fee for our time in organising the export and packaging, The freight forwarder will charge you for the NZ export license and the freight for the firearm(s). This is usually charged forward and you will pay this on receiving your goods. The export process can take around 4-8 weeks. For an estimate of the export license and freight charges please contact us. NZ G.S.T (VAT/sales tax) is only on the commission / buyers premium portion of the items, because this service occurs in New Zealand this must be charged on exports. Items that are not firearms can be sent via NZ postal service and will be charged at that rate plus packaging. Some items with historical significance to New Zealand may not be able to be exported.

CARVELL'S AUCTIONS

STANDARD CONDITIONS OF SALE

1. **Buyers Premium.** Buyers will be charged 12% of the hammer price, GST of 15% will be charged on the buyers premium only.
2. **All lots sold as shown & with all faults, imperfections and errors of description.** The Auctioneers act as agent: they have full discretion to refuse any bidding or to withdraw any lot or lots from the sale without in either case giving any reason: neither they nor the vendor are responsible for errors of description or for genuineness or authenticity of any lot or for any fault or defect in it and make no warranty. Due to the accurate reproduction of some badges and particularly German, we catalogue all such items as they appear to be, this is in line with major auction houses worldwide, it is up to the bidder to satisfy himself on any such lots.
3. The highest bidder to be the purchaser, subject to the Auctioneers having the right to refuse bidding of any person. Should any dispute arise as to the biddings the lot in dispute is to be immediately put up for sale again at the preceding bidding or the Auctioneers may declare the purchaser.
4. No person shall advance less at a bid than the sum to be nominated by the Auctioneer and no bid shall be retracted.
5. All lots sold subject to the right of the seller or his agent to impose a reserve.
6. The purchaser to give his name, address, firearms license details and to pay for all lots in full at the conclusion of the sale. In default of which matters the lot or lots purchased may be immediately resold.
7. The lots are at the buyer's risk from the fall of the hammer and are to be taken away at the buyer's expense, in default of which the Auctioneers will not hold themselves responsible if the same are lost, stolen, damaged or otherwise destroyed, but they will be left at sole risk of the purchaser. If the lots are not cleared or paid for, they may be sold immediately without prior notice being given to the defaulter.
8. Firearms Licenses and or appropriate permits must be produced along with receipted invoices prior to delivery of any lot.
9. **Payment:** Payment must be made on the day of the auction unless prior organised with Carvells Auctions. Payment options are Eftpos, Bank Cheque, Cash, Personal Cheques and internet bank transfer by arrangement, the Auctioneers reserve the right to request identification in the case of any purchaser not known to the Auctioneers. Credit Cards ie Master Card/ Visa will be accepted, however a 3% service charge will apply. Note the bank often has a limit of around \$2000 per day for eftpos
10. The Auctioneers cannot be held responsible for any injury or damage to persons or property through attempts to fire any firearms which are sold as collectors items only, this also applies to all ammunition.
11. **POSTAL BIDS:** Lots will be bought as favourably as allowed by other such bids, bidding on the floor and any reserve. All bids must be accompanied by a signed photo copy of your firearms license. Only successful bidders will be notified. Freight and Packing charges incurred will be paid by the successful bidder. We dispatch via Courier, street address or suitable drop point, PLEASE NO PO BOXES. We take all care but accept no responsibility. Each package has \$1000 insurance limit, also applies to items sent by post.
12. **POSTAL BIDDERS: PAYMENT MUST BE MADE ON RECEIPT OF INVOICE,** Do not wait until you get your permits, delays hold up payment to our vendors.
13. **FIRST TIME BIDDERS** will need to establish a line of credit by supplying credit card details.
14. We accept your bids in good faith however bad debts and change of mind are not acceptable. Recovery of debts will be strongly pursued through legal channels.
15. If you are bidding on behalf of another person you are responsible for inspecting the item and payment.
16. Measurements and weights are only an approximate.
