198 - COLT FRONTIER REVOLVER

Very rare and highly desirable antique, circa 1896, Colt Frontier six shooter single action revolver. 7½" 44-40 cal barrel with original foresight and maker: COLT'S P.T.F.A.MFG. CO HARTFORD CT.U.S.A COLT FRONTIER SIX SHOOTER. This gun was part of a shipment of 12 to the London agency in 1896 and is marked correctly with London proofs on the barrel and cylinder flutes. The frame is one of the first of the smokeless type and is correctly marked with patent dates and all serial numbers are matching. Metalwork retains most of the original bright blue to the barrel with holster wear towards the muzzle. The frame has traces of case colours in recessed areas and dark patina to the grip straps with traces of blue. ExC original hard rubber grips with rampant horse logo. A very fine example for the discerning Colt collector complete with a copy of the factory letter. ExWO&C B/CLR Est \$5000 - \$7000

199 - COLT 1911 PISTOL

WWI period Colt Government pistol. 5" .45 acp cal barrel with period London proof marks which are also on the rear of the frame. The slide marked on the right hand side with two line patent info and Colt address with the rampant horse logo at the rear. The frame is marked GOVERNMENT MODEL and C prefix serial number for 1915 manufacture. Metalwork has most original blue finish that shows holster and grip strap handling wear. VGC original diamond pattern walnut grips and original 50/50 finish magazine with lanyard loop. During WWI many of the guns sold through the London agency were private purchase items bought by British soldiers and we believe this to be most likely the case with this pistol. War time commercial 1911s are seldom seen and this is a fine example. ExWO&C B/CLR

The full length magazine tube with take down lever marked with patent information. The tang of the gun is marked MODEL 1886 - WINCHESTER - TRADE MARK etc. Metalwork has near all bright original blue to the barrel, magazine bolt and hammer. The action, as typical has turned a plum grey colour with traces of finish. ExC original woodwork with shotgun butt stock with original hard rubber plate. A fine example for the discerning collector. ExWO&C ALR

202 - WINCHESTER '73 RIFLE

Antique US lever action rifle, circa 1892. 24" .44 cal round barrel with ½ magazine and original sights but missing the rear elevator. The barrel is marked with correct Winchester New Haven two line address and patent as well as 44 W.C.F in front of the chamber. The tang of the gun is marked - MODEL 1873 - and the otherside with serial number and cal. Metalwork has dulling original blue to the barrel which has been cleaned back at some time over the address and caliber markings, the receiver still retains most blue which is bright in areas and the hammer has bright case colours. ExC original woodwork. ExWO&C ALR

203 - BOCK DRILLING

A very fine Austrian Ludwig Brovonik three barrel Bock Drilling. 23" barrel with matted rib and iron sights, the barrels are 16g over 7x57R with .22rf on the side. The barrels are marked Olhmar leilner Loeben (retailer) and the inside of the action is marked L Bronvonik, the barrel is fitted with a period single turret scope with German 3 post reticle and quick release claw mount. The action in white metal is profusely engraved with foliate and wildlife scenes with Deer and Pheasant. The engraving extends into the lever and tang as well as the underside and triggerguard. Metalwork retains nearly all original bright blue finish. ExC original woodwork with rubber butt plate fitted. Bock Drillings are seldom for sale and this is of very fine quality. 204 - PRESENTATION HOWDAH PISTOL

An extremely rare James Wilkinson and Son Howdah pistol purchased by the H.R.H Prince of Wales (Albert Edward) as presentation gifts for his 1875-76 tour of India. A total of 20 were purchased. These were in the serial range 6552-6571 as well as individually numbered. This pistol is No 6552 and gun number 5. Included with the gun is a copy of Wilkinson sales records and an article on these pistols, with only 7 known to still exist. The pistol is a double barrel back action hammer gun with side lever loading rebounding hammers and ejectors. 6½" .577 cal barrels marked WILKINSON & SON PALL.MALL.LONDON and with original sights and retaining most of their original blued finish. The lock plates and steel forend are borderline engraved as well as sunbursts around the screws and Wilkinson marked on both sides. The original case colours have faded but are still present. VGC original one piece chequered grip with lanyard ring and is marked 5 (Gun No.5) behind the tang. The pistol has been separated from its case at some time and has been re-cased in the style of the original with a full range of accessories. ExWO&C CLR Est \$8000 - \$12000

**205 - KRIEGHOFF LUGER**

An extremely rare WWII Luftwaffe issued Luger pistol by Heinrich Krieghoff Waffenfabrik Suhl circa 1944. Only between 100-200 of these pistols were made and they are the last of the German Military Luger pistols. 4" 9mm cal barrel marked with Luftwaffe test proof and serial number 11244. The chamber is dated 1944 and has matching serial number and Luftwaffe inspection proof marks. The toggle is marked KRIEGHOFF SUHL and the anchor logo. The frame is also Luftwaffe marked and with matching serial number (minor parts are correctly not numbered). Metalwork retains all its original black salt blue and small parts have clean faded straw colours. ExC original black bakelite grips and the magazine is the correct un-numbered blued body type with plastic base and marked P08 FXO and 37 acceptance marks. Contained in its correct WWII brown leather holster with 1936 date, makers mark and WaA387 Luftwaffe marking, extra magazine and stripping tool. This superb pistol is of world class condition making it a desirable addition to the specialist Luger collector and is one of the top pieces from the Murray Willis collection. Ne offered for sale in NZ before. ExWO&C CLR Est \$10000 - \$15000

206 - 1939 POLICE LUGER

An excellent condition and rare Nazi German 1939 Mauser banner Police Luger pistol. Only 2290 of this E/F variation were made and has the Police sear side plate safety fitted. 4" 9mm cal barrel with serial number, the chamber is dated 1939 and is marked with Crown/U proof, the otherside of the chamber has the V range second issue Police Eagle F proof mark. The toggle has the Mauser banner logo and Crown/U proof. All of its 3 digit serial numbers, including the magazine are matching. The magazine is the rare Schmeisser made variant. Metalwork retains nearly all its original salt blue showing only slight holster wear at the muzzle and its correct Simpson made and marked side plate. ExC original chequered walnut grips. Contained in its epf 1941 marked brown leather holster with stripping tool and extra magazine.
