45 - LEE ENFIELD SNIPER RIFLE

Rare WWII British Military No.4 MKI T Sniper rifle. 25" .303 cal barrel with original sight and bayonet lug and is marked with discrete post war English proof mark. The receiver is marked No.4 MK.I T over a second smaller T (both are correct font). The receiver is fitted with correct twin mounting blocks and No32 MKI telescopic sight with all correct markings and has excellent clarity. The rear sight is correctly without aperture. The wrist of the gun is marked M47C 1943 serial number over TR. The bolt channel has correct Holland & Holland Crown D6 E proof mark. The VGC original stock also has H&H S51 mark and cheek piece. The top of the wrist has had the optic serial number struck out and is fitted with original 1907 pattern sling and serial numbers are mismatched indicating post war refurbishment. A nice genuine example. VGWO&C ALR
Estimate \$7,000 - \$10,000

46 - BRNO MODEL 5 RIFLE

Vintage Czech Sporting rifle. 22" .22lr cal barrel with original hooded fore sight and 3 blade rear sight. Marked BRNO Model 5 with 1972 proof mark. The receiver fitted with vintage Weaver Micro Trac scope. Metalwork has near all original blue finish to the barrel and parkerised finish on the receiver. ExC original woodwork complete with swivels and 5R magazine. ExWO&C ALR

60 - 1911 MAGAZINE POUCH

US, most likely WWII period double magazine pouch, Khaki green webbing marked US and MEDCORP SADDLE CO. ExC

**61 - NZ WWII AIRFORCE SURVIVAL KNIFE**

An exceedingly rare and desirable NZ WWII survival/fighting knife. This Bowie style knife is based on the US V44 knife and is almost identical to the alloy handle NZ made variant of the Carlson's Raiders "Gung Ho" knife. The only difference is that the US marine issued knife has a green paint finish to the handle. Both of these knives were manufactured in NZ around 1943. The heavy Bowie blade is 225mm long and has a cast duralium handle and guard with traces of its original red paint. The knife is correctly without makers markings. Includes its original canvas and leather scabbard, marked RNZAF 21 C/N 804. (Reference Coles No 3 page 176) Provenance: Ian Rasmussen Collection.. VGC

62 - V44 SURVIVAL KNIFE

Rare US WWII survival/fighting knife. 24cm large Bowie blade marked CASE XX. Heavy brass cross guard, ExC black plastic grip with 3 rivets. Includes its brown leather tooled scabbard marked 'Colins & Co Legitimus 13'. (see page 136 of COLES #3 book). As used by the Airforce 'bail out kit' as well as the US Marines including Col Carlsons 2nd Raider Battalion. ExC

63 - TAYLORS WITNESS FIGHTING KNIFE

WWII private purchase Commando dagger/fighting knife by Taylor's Witness of Sheffield England. 150mm Sharpened double edge plated blade marked with Taylor's Witness logo, brass guard and stacked leather grip with alloy pommel, some staining to the blade. Includes its original leather sheath which has the name M WIGGINS written on the back. These knives were a popular private purchase knife in England for both the British and US troops prior to D Day. VGC

64 - MP44 RIFLE

WWII German select fire rifle. 16" 8mm Kurz barrel with knurled nut, sights and stacking hook as well as a discreet post war British proof mark. The receiver is stamped MP44 and has 1944 date as well as WaA21 Waffen-amt. The underside is also Waffen-amt marked WaA623 (Steyr). The gun has two position selector and metalwork has near all blued finish. VGC original wooden grips and butt stock with matching number but re-numbered on the steel portion of the butt. Includes its post war STG44 marked magazine. ExWO&C C/P7LR *Estimate \$7,000 - \$10,000*

65 - M1 GARAND RIFLE

A very rare and desirable British Military issue, US lend lease WWII semi automatic rifle, circa 1941. 24" 30.06 cal barrel with original sights and absent of any British proof marks. The receiver is marked US RIFLE CAL .30M1 SPRINGFIELD ARMOURY and serial number in the 320 thousand range. Metalwork is in superb ExC and retains all original parkerised finish. The gun also has correct early features such as solid single slot gas key and forged, milled trigger guard. The walnut wood work is in ExC and still retains the British red band with 300 marking (signifies 30 US cal). Also has crisp 5A G.H.S inspectors mark and crossed cannons. Complete with swivels and sling. This gun has all the correct features of a lend lease rifle with the exception of the post war 1950's commercial sale British proof marks which means this gun was not sold through the British commercial sale process and could have arrived in NZ during WW2. This is one of the best condition Garands we have encountered. ExWO&C P6LR *Estimate \$5,000 - \$8,000*

66 - M3 CARBINE

Rare US Military sniper variant of the M1 carbine with infrared sniper scope. 18" .30M1 cal barrel with original front sight marked INLAND DIV GENERAL MOTORS with 1-44 date and fitted with M3 flash hider and bayonet lug. The rear sight has been fitted with single bridge mount to the modified forend and is fitted with its infrared 20,000 volt night sniper scope. The rear of the receiver is marked NATIONAL POSTAL METER etc. VGC wooden stock with Bakelite forend to activate the light, plus sling and oiler. Complete with its original US Army chest with 51 date and accessories including battery pack, wires, replacement resistor pot assembly and strap. ExWO&C P6/P7LR

67 - MP44 MAGAZINE

Post war, most likely East German magazine for the WWII German 8mm KURZ rifle. Stamped MP44 and 1001. Near all overall blue with some mild speckle staining. VGWO&C P7LR

68 - MP44 SLING

121 - CARCANO M38 CARBINE

Italian WWII Military bolt action carbine. 18" 6.5 cal barrel with basic sights and folding bayonet. Marked with calibre and Gardone etc. Metalwork has most overall blue with some staining to the white metal. VGC woodwork. VGWO&C ALR

122 - G33/40 RIFLE

WWII German bolt action rifle built under Czech occupation at BRNO. 19½" 8mm cal barrel with original sight without hood and has original tangent rear sight graduated to 1000 metres. The chamber is code marked 945 with 1940 and VZ prefix. There is a small tap hole that has been filled. The side rail is marked G33/40. The bolt is non Nazi marked and mismatched but the correct turned down hollow handle type. Metalwork with most overall blue, VGC VZ33 type woodwork without steel side plate and has a rubber butt pad fitted. VGWO&C ALR

123 - MAUSER G33/40 STOCK

Original WWII wood stock for the Mauser rifle. The stock is walnut rather than laminate and has been duffle cut and pieced back together in a similar style to the finger joint on the Finish Nagant rifles. Has blued steel reinforcement butt plate and bayonet lug. Includes 21cm long top wood.

124 - K98 SLING

Original dark brown leather sling for the WWII German Mauser rifle. Code stamped gxy 1940. VGC

125 - K98 ROD AND MUZZLE COVER

32cm steel cleaning rod plus an original Nazi marked steel foresight. VGC

126 - LAMINATE G33/40 STOCK

Late war WWII German stock for lower section only with bayonet lug. The stock has been duffle cut and glued 3 inches from the front sling swivel, no butt plate or top wood. GC

127 - BLACK WIDOW LUGER PISTOL

Desirable variant of the WWII German P08 pistol. 4" 9mm cal barrel with original sights, acceptance mark and serial number. The chamber dated 42 and the slide is also acceptance and proofed for Mauser. The frame is stamped P08 and all numbers are matching. Metalwork has thinning original salt blue (including small parts) turning grey where carried and holstered. ExC original black Bakelite grips and includes its correct blued body magazine with black base plate, fxo, P08 and eagle 37 marked. VGWO&C B/CLR

128 - MAUSER 1914 PISTOL

German vintage semi auto pistol. 3½" .32acp cal barrel. Slide with one line Oberndorf address and Crown/U proof. Frame with banner logo. Metalwork has near all overall original bright blue finish. ExC checkered original grips. ExWO&C CLR

129 - WALTHER MODEL 4 PISTOL

German semi auto pistol, circa 1919-1923. 3½" .32acp cal barrel, the slide with Zella Mehlis address and banner logo etc. Most overall original dulling blue, thinning on the leading edges and grip strap. VGC original hard rubber W logo grips with some wear. VGWO&C CLR

130 - WALTHER PPK PISTOL

German S/A pistol, circa 1969. 3¼" .32acp cal barrel with German proofs (also on frame & slide). The slide with original sights and marked with banner logo, Ulm address and PPK etc. Metalwork retains near all original bright blue. ExC original brown plastic grips. Includes original matching number box with test target and cleaning rod. ExWO&C CLR

131 - WALTHER PP PISTOL

Ex West German Police pistol. 3¾" .32acp cal barrel with original sights and 1968 proof. The slide marked with banner logo, Ulm address etc. The frame has crossed out BYP in oval for Bavarian State Police. Near all original blue with only minor holster wear. ExC black plastic original grips and finger groove based magazine. VG-ExWO&C CLR

132 - DREYSE 1907 PISTOL

German, early 20th Century pistol. 3½" .32acp cal barrel marked with Crown/N proofs, also on the frame which has Dreyse Rheinische Metallwaren address. Metalwork has dull thinning original blue finish. VGC original brown hard rubber grips. This Hugo Schmeisser design saw use during WWI. G-VGWO&C CLR

**133 - LUGER HOLSTER**

Dark brown original leather hard shell holster for the WWII German P08 pistol. Marked with Gebruder Klinge Dresden makers mark, 1939 date and Waffen-amt mark. VGC

134 - BLACK WIDOW LUGER MAGAZINE

140 - DEACTIVATED MG42

WWII German machine 8mm cal machine gun. This gun has been deactivated in England in what appears to be the early type which most likely could be restored with the repair and replacement of parts. The barrel has been drilled and welded fixed. The front of the bolt has been cut and lugs removed and would require replacing. The action will move but not lock into the firing position. The gun retains near all blue and is stamped M.U. M.G.42 serial number and dfb, as well as arz and acceptance eagle. Original wooden stock re-numbered to the gun and brown Bakelite grips. Includes original WWII Nazi marked bipod and belt drum with dummy 50R link and tab. GC CLR

141 - M53 MACHINE GUN

Yugoslavian 8mm cal machine gun. 22" barrel with flash hider, ventilated shroud and original sights. The receiver cover with National Crest. Metalwork has most overall finish, thinning on the edges. Original wooden stock and grips. Includes its bipod plus six 50R links, two ammo cans and starter tabs. G-VGWO&C CLR

142 - MG42/M43 AA MOUNT

German Military post WWII anti aircraft tripod mount to fit the WWII MG42 or MG3 machine guns. Near all dark green original finish. Complete with sling and strap. ExC

143 - MG34 AA MOUNT

Rare anti aircraft mount for the WWII German machine gun. Overall thinning dark green paint finish, brass and steel attachments with leather sling. ExC

**144 - MG34 BIPODS**

Two steel bipods for the German WWII MG. The first is the traditional folded steel square type marked dfb 1942/eagle. The second is Czech round type with a similar profile to the Bren. VGC

145 - MG34 GRIPS

A pair of good quality reproduction black plastic/Bakelite grips with pins in unused ExC.

146 - MG34 CASE CATCHER

Original WWII German MG34 spent case catcher WaA169 Waffen-amt and nka 43 marked. VGC

147 - MG34 AA SIGHT

Good quality reproduction 'spider web' anti aircraft sight for the WWII German MG 34. ExC

148 - MAT49 S.M.G

Scarce French model 1949 sub machine gun. 7" 9mm cal barrel with original hooded sight and ventilated shroud. Standard length is 9.1" long and this is most likely an arsenal modification as these saw extensive use in Indo-China/Vietnam and Algeria. The top of the receiver, with original rear sight, is marked MANUFACTURE NATIONALE D ARMES DE TULLE MODELE 1949. The ejector plate has had a field repair where the ejector is now held in by nuts instead of rivets. The folding steel magazine well has the forward retaining catch broken and has a 32R magazine. Metalwork has thinning parkerised and paint finishes. VGC brown Bakelite grips and safety. F-GWO&C C&P7LR

149 - SILENT STERLING S.M.G

Rare fully silenced version of the British Sterling S.M.G. 15" 9mm integral suppressor and barrel with original sights. The magazine well is marked STERLING SMG 9M/M MK5 L34A1 and patent information on the underside. Metalwork has all original black crackle paint finish. ExC steel under folding stock, plastic grips and wooden forend. Complete with its 34R magazine. In as new ExWO&C C&P7LR Estimate \$5,000 - \$7000

150 - STERLING S.M.G

British Military MKIV S.M.G. 9" 9mm cal barrel with ventilated shroud with original sights and bayonet lug. Magazine well is marked with STERLING logo, SMG 9M/M MK L (L2A3). Metalwork has most original crackle finish. GC plastic grips and steel folding stock. Includes original 34R magazine. VGWO&C C&P7

151 - UZI S.M.G

Israeli Military issue sub machine gun. 10" 9mm cal barrel, receiver with original sights and marked with Israeli Crest and markings in Hebrew. Metalwork has most overall matte black arsenal re-finish, steel folding stock and includes its 25R magazine. VGWO&C C&P7LR

152 - COLT 1860 ARMY REVOLVER

Antique US Civil war era Colt percussion revolver, circa 1861. 8" .44cal barrel missing foresight is marked with New York address. Metalwork has cleaned metal patina with some scattered pin pricking. All serial numbers are matching in the 20,000 range with 0 suffix. It is understood that these 0 suffix guns were a shipment of 1000 previously condemned but refurbished pistols fitted with shoulder stocks and sent to Captain Crispin of the 11th NY Volunteer Cavalry in 1862. The frame is correct 4 screw type for shoulder stock and the butt has recess cut. The grips are a very unusual type, they appear to be a wood type with possible white oak or other type of veneer. These show a lot of age and have a perfect fit to the back strap and have been on the gun most likely since original. GWO&C NLR

Estimates - Although we do not print most estimated prices we will be happy to provide them for you. Please contact Greg on +64 9 579-3771

153 - COLT POCKET REVOLVER

Antique percussion revolver, circa 1856. 5".31 cal octagonal barrel with two line New York address. The 5 shot cylinder has traces of cylinder scene, all visible numbers including the wedge are matching and in the 127,000 range. Metalwork has dark grey patina and traces of nickel finish on the brass straps. GC oil stained walnut original grips and action indexes well. GWO&C NLR

154 - REMINGTON NEW ARMY REVOLVER

Antique US Percussion revolver, circa 1860's. 7½" .44 cal octagonal barrel with faint sign of the original address and no sign of the serial number except 59 on the cylinder. Metalwork has grey patina with scattered pin pricking. VGC walnut grips without cartouche and action indexes. GWO&C NLR

155 - COLT SINGLE ACTION REVOLVER

Rare, one of only 729 made, antique, circa 1875, Colt single action Army revolver in .450 boxer calibre for the English market. 5½" barrel with early pre Pall Mall Hartford address and London proof marks (also on the cylinder). The frame is marked with patent dates and serial number (matching on the trigger guard and butt). The guard is also marked 45 CAL B. Metalwork has been re blued which appears to be very old. This gun could have been British Military done/used as we have encountered similar finishes on British Military Colt Navies and the butt has at one stage been fitted with a lanyard ring (reference page 95 Colt Peacemaker British Model by Cochran). VGC walnut grips. G-VGWO&C CLR

156 - WINCHESTER 1895 RIFLE

US lever action rifle, circa 1899. 27" 30.40 Krag calibre barrel with original front sight and blanked out rear sight, the barrel is marked with NZ retailer A&W McCarthy Dunedin as well as 30 US and nickel steel barrel etc. The receiver with Winchester New Haven address and patent information has the Lyman peep sight. The tang marked -WINCHESTER MODEL 1895-. Metalwork has dark grey original patina with traces of blue. VGC walnut stock with ebony tip and the rear swivel hole has been filled. VGWO&C ALR

157 - WINCHESTER 73' CARBINE

US circa 1887, third model 1873 lever action saddle ring carbine. 20" 44-40 cal round barrel with full tube and original sights. Marked with New Haven address and 44WCF. Action with dust cover and saddle ring. Tang marked -MODEL 1873- and serial number in 249,000 range. Metalwork has dark original mottled patina. VGC woodwork and the butt stock has been sanded at some point. VGWO&C ALR

158 - COLT LIGHTNING RIFLE

Colt medium frame slide/pump action rifle, circa 1893. 26" .44-40 cal round barrel with original sights and marked with Colts Hartford address and patents ending in 87 as well as 44 cal. The frame marked with London proof and faint rampant horse. The tang has special order Lyman peep sight. Metalwork has grey metal patina. Woodwork has typical forend split and checkering has worn smooth. GWO&C ALR

159 - WINCHESTER 73' RIFLE

Antique, circa 1891, 3rd model 1873 lever action rifle. 24" 44-40 cal round barrel with rifle sights and button magazine. Marked with Winchester address and calibre. The tang marked - MODEL 1873 - and lower with serial number. Metalwork with thin overall old re-blue. VGC original woodwork. G-VGWO&C ALR

160 - WINCHESTER 9422 XTR RIFLE

.22lr model 1894 lever action rifle. 20" round barrel with original sight and marked with New Haven address and model details. Metalwork has most overall original blue thinning on the magazine tube and leading edges. VGC original checkered walnut stock. VGWO&C ALR

**161 - THE BOOK OF COLT FIREARMS**

First edition 1971 by Sutherland and Wilson. This large technical book covering all models from 1830-1970 is a must have for any Colt Collector. 603 pages, B&W and colour photos. Long out of print. VGC

162 - COLT LONDON BOOK

Colonel Colt London - The History of Colts London Firearms 1851-1857 by Rosa. Hard cover, large format, B&W pictures, 215 pages. Long out of print reference book. ExC

163 - COLT BOOK

164 - COLT CONVERSIONS BOOK

A Study of Colt Conversions and Other Percussion Revolvers by McDowell. Hard cover, large format, B&W pictures, 463 pages. VGC

165 - ENFIELD MARK II REVOLVER

Very rare early British Military revolver, circa 1880's. 5.9" .476 cal barrel, 6 shot cylinder with hinged frame, self extracting feature and side loading gate. This gun is unusual in the fact that it has no markings, serial numbers or proof marks except a couple of hard to make out numbers on two screw heads (we have had to apply a serial number concealed under the grip). It has the top strap of the MKII and loading gate safety. Metalwork has dulling to grey original finish. VGC original checkered one piece walnut grips without lanyard ring. The top strap spring catch is at fault otherwise VGWO&C CLR

166 - RUSSIAN 3RD MODEL REVOLVER

Rare Russian Military contract S&W 3rd model revolver manufactured by Ludwig Loewe for the Russian Government, circa 1870's. 6½" .44 Russian cal barrel marked Ludwig Loewe etc, in Cyrillic. The frame is marked 06 P 1874 above the checkered walnut grip. There is also an inspectors mark behind the lanyard ring. Metalwork retains near all original blue with some holster wear and staining near the trigger guard. ExWO&C CLR

167 - S&W M1917 REVOLVER

British Military WWI double action revolver. 6½" .455 cal barrel with original sight and marked with Smith & Wesson address and cal. The frame has S&W logo and British ordnance and proof marks. Metalwork has most overall original bright blue but shows holster wear towards the muzzle and edges of the cylinder. VGC original checkered walnut grips with lanyard ring. VG-ExWO&C B/CLR

168 - WEBLEY MKV PISTOL

British Military double action revolver, circa 1913 to WWI. 4" .455 cal barrel with British ordnance marks and proofs. It is also marked Q1G for Queensland Australia Government. The frame is WEBLEY MARK V PATENTS and GB4 in oval. Near all original blue, VGC original vulcanite checkered grips with lanyard ring. VG-ExWO&C B/CLR

169 - COLT 1902 REVOLVER

US Military issued variant of the 1878 double action revolver known as the 'Alaskan' or 'Philippine' model 5¼" .45 Colt cal barrel with faint single line address. The frame is stamped 1902 and US as well as R.A.C inspectors mark and rampant horse logo. The trigger guard and trigger are the smaller standard type as it has most likely been changed after its Military service. Metalwork has dark to grey patina with traces of blue. GC but worn original grips with lanyard ring. GWO&C B/CLR

170 - ARTILLERY LUGER PISTOL

Imperial German WWI LP08 pistol. 8" 9mm cal barrel with original adjustable sights and 1917 date on the chamber and proof, plus acceptance marks on the side. The toggle marked DWM. Metalwork has dull to dark original patina with staining in areas and no traces of straw colours. Visible serial numbers except magazine are matching. The original grips show wear and a chip at the base. GWO&C B/CLR

171 - BRITISH REVOLVER HOLSTER ETC

A brown leather holster most likely Victorian era to fit early .576 cal large British revolvers. Includes its period belt, both with brass rivets and buckle on the belt. Also includes a latter unbranded Sam Brown belt. GC

172 - BRITISH HOLSTERS

Unmarked 1908 pattern open top holster to fit the Webley revolver and cleaning rod with brass belt attachments, the top has been field modified by cutting a curve to allow the gun to be removed easier. Leather strap is stamped HGR.18? Plus a 1937 web pattern holster for the WWII 38 revolver. VGC

173 - LUGER HOLSTER

Seldom seen late WWI German modification of a Reichs revolver holster to fit an Artillery model Luger pistol. The flap holster has correctly been cut open to accept the grip and is marked FW.KINKEL 1918. Ideal accessory for the LP08 and are well documented in Luger books. VGC

174 - MKVI WEBLEY HOLSTER

Canadian Military WWII 1937 pattern Webley holster for the large frame British revolver, 1943 dated etc. ExC

175 - ZIETLER BOCK DRILLING

High quality Austrian vintage 3 barrel drilling by Manfred Zietler. The barrels are 23¾" long with matted top rib and iron sights. The calibres are 20g with full choke over 7x65R with .22 hornet on the side. The gun has quick release Kahles Helia 4 power optic. The receiver is very well relief carved and scroll engraved with deer and foliate scenes. The barrels and trigger guard retain near all original bright blue with some thinning towards the muzzle. ExC deluxe checkered walnut stock complete with swivels and rubber butt pad. ExWO&C ALR

176 - TIKKA COMBINATION GUN

Finnish over/under combination gun. 24" 12g full choke barrel over free floating 5.6x50R rifle barrel with integral muzzle break. Hammer action with top lever and selector fitted with swing off mount and 6x32 Tasco scope. Most overall blue finish. GC woodwork with handling marks. Includes approx 34 live rounds and 46 cases and wooden carry case. VGWO&C ALR

177 - LIEGE SPORTING ARMS SHOTGUN

High quality custom side by side shotgun most likely made by Francotte. 27½" 12g barrels with 2¾" chamber and full and ¾ chokes marked with maker/retailers name and proofs. The barrels have Purdey nose type extension. The side plates are borderline engraved extending into patterns. Double triggers with rebounding front trigger and auto safety. ExC custom checkered stock with open pistol grip and checkered butt end. Metalwork has near all blue and it's contained in its black vinyl hard carry case. ExWO&C ALR

178 - SAUER 16G SHOTGUN

Vintage German, circa early 1900's, side by side hammer shotgun by J P Sauer. 29" barrels with central rib and dolls head extension marked J P SAUER & SOHN SUHL (also marked on the borderline engraved lock plates). Metalwork retains near all blue to the barrels and traces of case colours to the action which has rebounding hammers, double triggers with front set option and extractors. VGC checkered woodwork with original hard butt plate. Ex Ted Shoebridge collection. VG-ExWO&C ALR

179 - AYA SHOTGUN

Spanish 12g side by side shotgun. 28" 12g ¾ choke barrels with near all blue. Case coloured boxlock, double trigger action, VGC woodwork. ExWO&C ALR

180 - SECOND PATTERN SYKES DAGGER

Rare WWII second pattern Fairbairn Sykes British Commando dagger. 17.2cm blade etched with Wilkinson and FS logos as well as soldiers personal etching: Wilbur D Anderson 36730815 (this was offered as a service by Wilkinson). The cross guard is correct blued straight type and the grip is knurled brass. Complete with its leather scabbard. VGC

181 - DEATHS HEAD COMMANDO KNIFE

Very rare WWII Middle Eastern British Commandos fighting knife. These knives were locally made for use by Commandos in the African theatre and nicknamed Deaths Head because of the silhouette the cast brass makes. 15½cm single edge blade, the hilt marked with broad arrow on both sides and 184. Complete with original pebble grain leather scabbard. A rare and unusual piece for the discerning WWII and knife collector. (Reference page 565 of Fighting Knives by F Stephens) ExC

182 - ROBBINS OF DUDLEY PUSH DAGGER

WWI private purchase push dagger. 125mm double edge blade with small fullers. Cast alloy pistol grip marked ROB-INS DUDLEY and has steel knuckle guard. The blued blade and guard have all over scattered pin pricking and there is bruising to the alloy base and top where it has been used as a tool. Shows excellent age and authenticity VGC

183 - ITALIAN HIGH LEADERS DAGGER

Rare WWII Italian NSVN leaders dagger as worn by high ranking Government Officials. 120mm single edged blade. The grip is bright cast aluminium with white inserts with brass eagle emblem. The hilt has upswept quillion and eagle head. Plated scabbard with black and gold wire thread belt loop. VGC

184 - MAUSER 98K SNIPER RIFLE

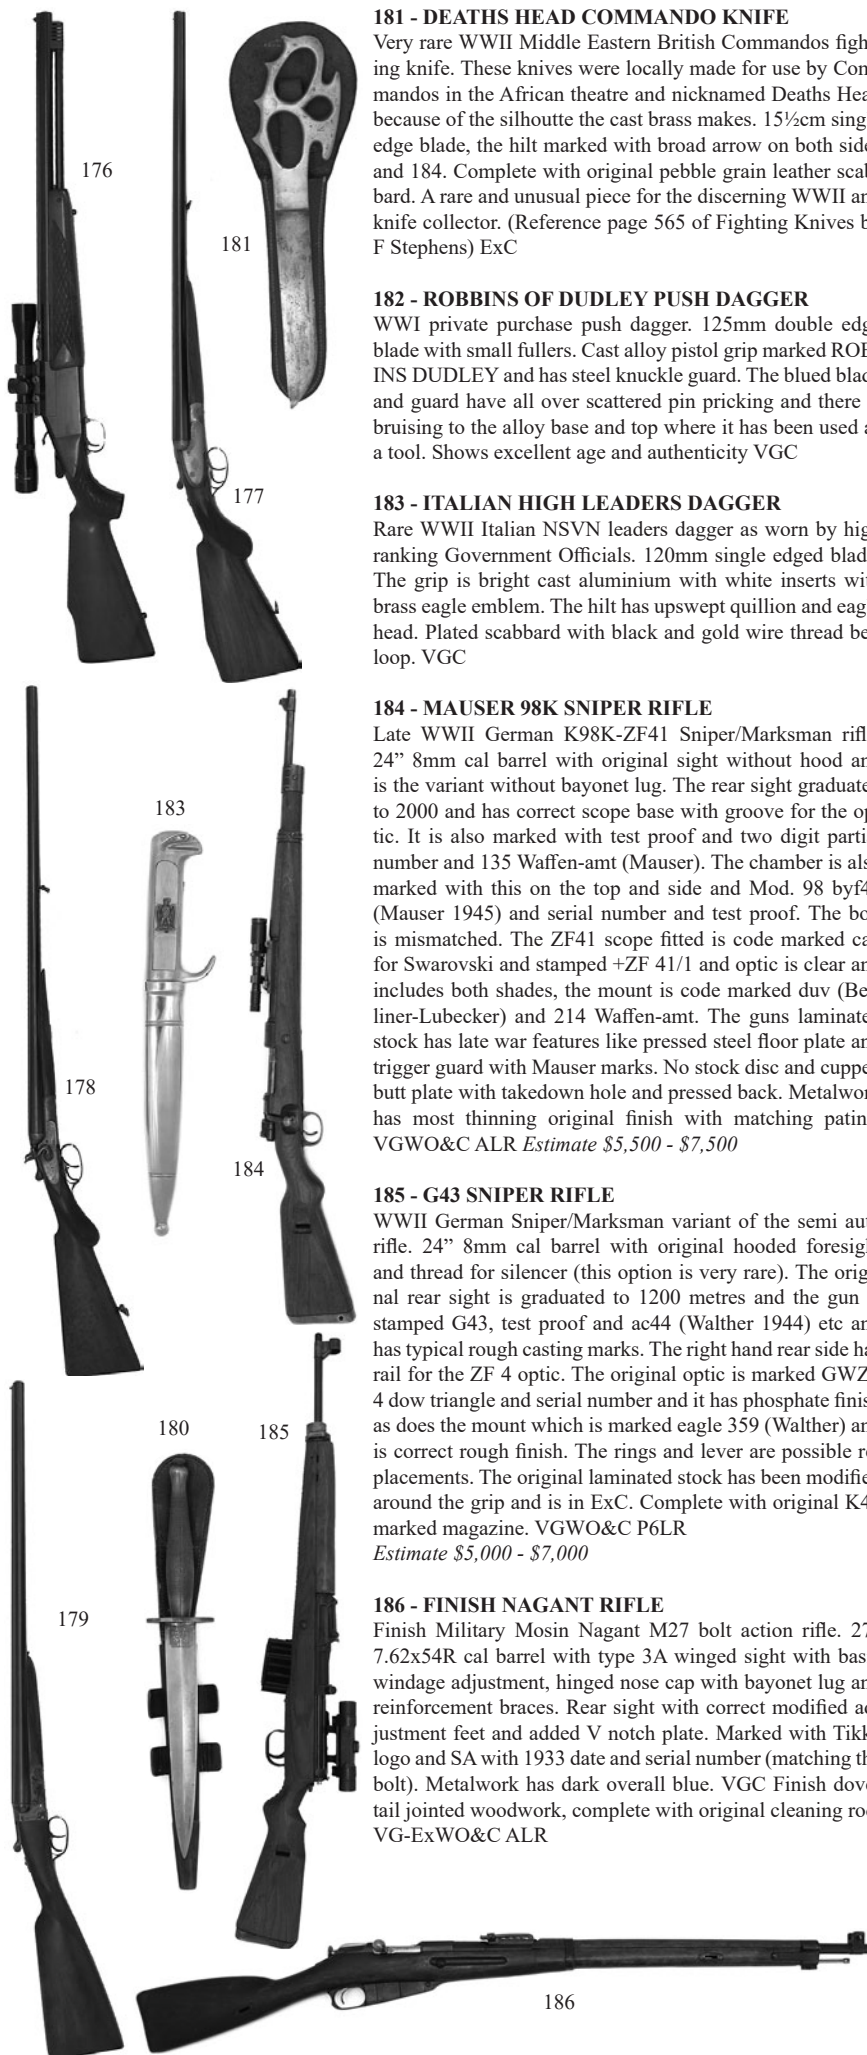

Late WWII German K98K-ZF41 Sniper/Marksman rifle. 24" 8mm cal barrel with original sight without hood and is the variant without bayonet lug. The rear sight graduated to 2000 and has correct scope base with groove for the optic. It is also marked with test proof and two digit partial number and 135 Waffen-amt (Mauser). The chamber is also marked with this on the top and side and Mod. 98 byf45 (Mauser 1945) and serial number and test proof. The bolt is mismatched. The ZF41 scope fitted is code marked cag for Swarovski and stamped +ZF 41/1 and optic is clear and includes both shades, the mount is code marked duv (Berliner-Lubecker) and 214 Waffen-amt. The guns laminated stock has late war features like pressed steel floor plate and trigger guard with Mauser marks. No stock disc and cupped butt plate with takedown hole and pressed back. Metalwork has most thinning original finish with matching patina. VGWO&C ALR *Estimate \$5,500 - \$7,500*

185 - G43 SNIPER RIFLE

WWII German Sniper/Marksman variant of the semi auto rifle. 24" 8mm cal barrel with original hooded foresight and thread for silencer (this option is very rare). The original rear sight is graduated to 1200 metres and the gun is stamped G43, test proof and ac44 (Walther 1944) etc and has typical rough casting marks. The right hand rear side has rail for the ZF 4 optic. The original optic is marked GWZF 4 dow triangle and serial number and it has phosphate finish as does the mount which is marked eagle 359 (Walther) and is correct rough finish. The rings and lever are possible replacements. The original laminated stock has been modified around the grip and is in ExC. Complete with original K43 marked magazine. VGWO&C P6LR *Estimate \$5,000 - \$7,000*

186 - FINISH NAGANT RIFLE

Finish Military Mosin Nagant M27 bolt action rifle. 27" 7.62x54R cal barrel with type 3A winged sight with basic windage adjustment, hinged nose cap with bayonet lug and reinforcement braces. Rear sight with correct modified adjustment feet and added V notch plate. Marked with Tikka logo and SA with 1933 date and serial number (matching the bolt). Metalwork has dark overall blue. VGC Finish dovetail jointed woodwork, complete with original cleaning rod. VG-ExWO&C ALR

187 - NO4 MK2 RIFLE

British Military Lee Enfield rifle. 25" .303 cal barrel with original sights and bayonet lug. The receiver is marked No4 MK2 UF55 (Fazakerley 1955). Metalwork retains near all original black enamel finish. All numbers including the magazine are matching. ExC original wooden stock with a couple of minor scratches. These number 4 rifles known as the 'Irish Contract' are seldom seen for sale and sought after due to their like new condition. ExWO&C ALR

188 - KRIEGSMARINE DAGGER

Fine example of a WWII German Naval Dirk. 24½cm etched blade in ExC with desirable sailing ship design and marked with the WKC Knights head logo and has its felt buffer. ExC brass fittings and seldom seen burnt orange celluloid wire wrapped grip complete with portepee. The scabbard is also the unusual gilded hammer finished type with oak leaf design on the bands. Complete with its original hangers. Hard to find a better example with desirable special features for the advanced collector. ExC

189 - SS DAGGER

WWII German 1933 pattern SS dagger. 21¾cm blade marked with motto - *Meine Ehre Heist Treue* - and on the other side RZM 941/36SS for Carl Eickhorn Solingen. The blade is in excellent condition without any obvious marks or stains. The handle has nickel silver fittings and the grip is in excellent condition as are the eagle and runes. ExC scabbard with some minor pin pricking/bubbling to the finish. The hanger is the unusual vertical black leather type which is stamped SS 48/39 rzm on the leather and A logo DRGM. ExC

190 - 1ST PATTERN LUFTWAFFE DAGGER

Fine example of an early German Airforce dagger, circa 1934/35. 30½cm polished blade in excellent condition with original leather buffer pad and is marked with the original Eickhorn rabbit logo. Nickel silver three ribbed crossguard with brass sun wheel Swastikas (also on the pommel). The grip has blue Moroccan leather wrap with spiral twist wire. ExC scabbard with original blue leather wrap and nickel silver fittings and chain. Hard to find a better example for the discerning collector. ExC

191 - 2ND PATTERN LUFTWAFFE DAGGER

WWII German Airforce dagger. 26cm polished blade without makers mark in ExC with only a few small areas of minor staining. The tang has a + inside square casters mark. ExC aluminium guard with fine definition to the eagle and oak leaves. The celluloid handle is a dark yellow to almost orange colour with silver wire. The pommel retains some of the seldom seen gilt to one of the Swastikas. ExC pebble grain scabbard. VG-ExC

192 - ASTRA M903 MACHINE PISTOL

Rare Spanish machine pistol based on the Broomhandle Mauser, circa 1930's. 6" 7.63 cal barrel with original sights and Spanish proofs. The rear sight is graduated to 1000 yards. The frame is marked on the left hand side "ASTRA" Automatic pistol cal 7.63 patented July 12 1928 etc. The right hand side has a selector marked 1 & 20 for automatic and has detachable 10R magazine. Metalwork is in superb condition retaining near all original bright blue and fire blue to small parts. ExC original wooden grips with lanyard ring. ExWO&C CLR

193 - WEBLEY MARK I PISTOL

Rare British Webley & Scott Mark I commercial model semi auto pistol, circa 1913. 5" .455 Webley Automatic calibre barrel. The slide is marked with winged bullet logo, Webley & Scott Ltd/Pistol self loading Mark I/1913. Metalwork retains near all original blue finish with some very minor holster wear on the leading edges of the slide. ExC original dark brown Vulcanite checkered grips with lanyard ring at the base. The serial number indicates that it was most likely sold through the Army & Navy Co-operative Society Ltd. Includes its original brown leather holster with hand written name 'DUGDALE' inside the flap. Top quality example of this hard to find WWI pistol. VG-ExWO&C B/CLR
Estimate \$5,000 - \$7,000

**194 - BRITISH 1911 PISTOL**

British Military issue WWI Government model semi automatic pistol. 5" .455 Webley Automatic calibre barrel. The side with its original sights is marked on the left hand side with Colt rampant horse logo and address, the right hand side is marked COLT AUTOMATIC CALIBRE 455. The frame is marked Government model with W serial number prefix as well as R.A.F and †. Most overall original Military blue finish with some minor mottled areas. ExC checkered walnut grips with lanyard ring at the base. The grips are the non diamond type and are most likely a later Military replacement as they show consistent wear with the gun. Correct magazine with staple and calibre information. VG-ExWO&C B/CLR

195 - VICKERS LUGER PISTOL

Rare British Vickers made for the Dutch Military 1906/21 model Luger. 4" 9mm cal barrel with original sights. The chamber without markings, the toggle is marked VICKERS LTD and the safety RUST with arrow. The gun has no other marks or component marks other than the side plate marked 30. It is in our opinion that the gun has been assembled from Vickers parts in the Dutch East Indies arsenal at Batavia (now Jakarta). The metalwork is in as issued ExC showing very little wear and the grips are the coarse Dutch type. Complete with holster and spare magazine. ExWO&C CLR
Estimate \$6,000 - \$8,000

196 - RENAISSANCE HI-POWER PISTOL

Vintage deluxe circa 1973 engraved FN Browning Model 35 Hi-Power pistol. 4.6" 9mm cal barrel, slide with original adjustable sights and FN Herstal address and markings. The metalwork is profusely scroll engraved all over and retains near all original satin nickel finish except for some minor staining dots. ExC original finely checkered walnut grips. ExWO&C B/CLR

197 - COLT LONDON NAVY REVOLVER

Antique, circa 1856, London factory model 1851 percussion revolver. 7½" .36 cal octagonal barrel with original bead sight and marked -ADDRESS COL. COLT LONDON- and faint London proof between the wedge and loading lever screw. The cylinder is also marked with London view proof between each cylinder and has traces of the rolled Naval cylinder scene. The frame is marked COLTS PATENT and all serial numbers are matching in the 41,000 range (last year of London factory). The trigger guard and back straps are correct English steel type. Metalwork has dark overall patina with some pinpricking to the right hand side of the barrel. VGC original walnut grips. VGWO&C NLR

198 - COLT 1851 NAVY REVOLVER

Antique late 4th model Navy percussion revolver, circa 1867. 7½" .36 cal octagonal barrel with New York address, original sight and thick type loading lever catch. The frame has the smaller shield with cap slot and is marked COLTS PATENT. Metalwork has overall plum colour patina and no trace of cylinder scene. Screw heads are in tidy condition, the barrel lines are still sharp and action is crisp. All numbers are matching and are in the 203,000 range, the cylinder pin has been mis-stamped on one digit but is a factory mistake. The trigger guard is large type and the straps are brass with some nickel silver to the back strap. ExC walnut one piece original grips. VG-ExWO&C NLR

199 - COLT 1860 ARMY REVOLVER

Antique U.S Civil War period, circa 1862, percussion single action revolver. 8" 44 cal barrel with original brass sight and marked - ADDRESS COL. SAM L COLT NEW-YORK U.S AMERICA. The cylinder is marked COLTS PATENT plus serial number as well as inspectors marks and has traces of the cylinder scene. The 4 screw frame is cut for a shoulder stock and marked COLTS PATENT. All serial numbers except the unnumbered wedge (period replacement) are matching and in the 30,000 range. Metalwork has dark original patina with bruising and some traces of finish in concealed areas. VGC original walnut grips marked with cartouche with a small chip at the left hand base, action is strong. VGWO&C NLR

200 - COLT FRONTIER S/A REVOLVER

Scarce and desirable 'Gunfighter' short barrel variant of the Colt Frontier single action revolver, circa 1894. 4¼" 44-40 cal barrel with original sight and correct two line Hartford address as well as COLT FRONTIER SIX SHOOTER on the side. The frame is marked with patent dates and rampant Colt logo. Metalwork has most thinning overall original blue to the barrel and dark patina to the cylinder and the grip straps. The frame has original mottled patina. VGC original checkered hard rubber Colt logo grips. A nice untouched example for the Colt collector. VG-ExWO&C CLR
Estimate \$5,000 - \$7,000

**201 - U.S HOWITZER**

A working replica American Napoleon Howitzer of 1851 built by NZ Cannon maker Trevor Marshall, circa 1993. This ½ scale gun has 27" 40mm cal rifled barrel (built from Bofors gun barrel). The carriage is built from imported hardwood and has mahogany and jarra hubs. Includes a bucket of cast balls and assorted cleaning and loading equipment. Overall dimensions are approx. 160cmL x 100W x 70H. Appears to have only been test fired. *Due to it's large size this lot can only be viewed and picked up from our Penrose address and will not be at the auction venue. ExWO&C ALR
Estimate \$5,000 - \$7,000

**202 - WINCHESTER '94 RIFLE**

A superb deluxe Winchester 1894 rifle, circa 1909. 26" 30 WCF cal octagonal barrel with original lyman double folding leaf rear sight and Winchester express foresight and full length magazine, marked with New Haven address etc. The rifle is fitted with special order double set triggers and tang mounted peep sight. The metalwork is in excellent condition retaining close to 100% original all over bright blue with just slight loss and fading. The original walnut stock is in ExC with some minor storage dents to the butt. This is arguably one of the best condition early '94's in the country, combined with its special order features make the rifle an outstanding offering. Provenance: Barry North collection. ExWO&C ALR
Estimate \$8,000 - \$10,000

**203 - WINCHESTER '92 TRAPPER CARBINE**

Rare and desirable antique, circa 1894, lever action model 1892 Saddle Ring Carbine. 15" Trapper length 44-40 cal round barrel with full length magazine and original sights, marked with New Haven address etc. The action with saddle ring is marked with first type address on the tang; MODEL 1892-/WINCHESTER-/PAT.OCT/4.18 84. Metalwork has overall original brown/grey patina. VGC original walnut woodwork with only minor dings. Nice original example. Provenance: Barry North collection. VGWO&C ALR
Estimate \$5,000 - \$7,000

**204 - US 1868 TROWEL BAYONET**

An exceptionally rare first model of 1868 'Trowel' bayonet for the U.S Military Trapdoor Springfield rifle. This early socket variant is the only example we have seen and only 200 were believed to be made (reference - The American Bayonet by Hardin page 197) 320mm overall length with 230mm trowel shaped blade with cruciform shape to the bottom. Socket with locking ring and finger loop connecting to the blade. All metal is in the white and in excellent condition, includes its original leather scabbard with brass tip and attached belt loop with makers mark and brass rivets. Provenance: Ian Rasmussen collection. VG-EXC

**205 - NIXON PERCUSSION PISTOLS**

Fine cased pair of English Officers pistols by David Nixon of Newark, circa mid 1800's. 5" approx. .52 cal octagonal browned barrels. Marked NIXON NEWARK and with Birmingham proofs, silver foresights and captive rammers. The lock plate tang and trigger guards are foliate engraved. Metalwork has nice dark case colours and brown to the barrels. ExC one piece walnut stocks with belt hook and steel mounts extending into pineapple finials and ebony tips and percussion traps in the butt. Contained in their original case with reinforced corners and baize lining. The top marked CHARLES MONEY ESQ 1861. The case contains flask, mould, cap tin, combination hammer and rod as well as an oil bottle. ExWO&C NLR
Estimate \$5,000 - \$8,000

**206 - DURS EGG DUELLING PISTOLS**

An excellent double casing of antique Flintlock duelling and muff pistols by one of England's finest gun makers Durs Egg, circa early 19th Century. The Duelling pistols have 9" approximately .65 cal/11bore browned barrels marked in script on the flat sections; D.Egg London and are engraved on the band and tang. The locks are also engraved in script D Egg as well as borderline engraved and with half cock safeties on the stepped tails. Full wood stock with the characteristic checkering design of Durs Egg and engraved steel mounts. Included in the set are a pair of boxlock muff pistols with 1¼" approximately .41cal/68bore turn off barrels marked in block lettering D.EGG LONDON and London proofs on the underside, the boxlocks have concealed triggers and no safeties fitted and one of the actions won't hold on full cock. VGC slab sided grips. Contained in their Mahogany case with small split/crack and circular brass recessed handle and purple velvet and baize lining, showing good wear and age. Includes its copper and brass flask with receptacles for flint and balls embossed with shell design on the cover. Plus a small Sykes flask for the muff pistols, barrel key, 11 bore and 46 bore steel scissor molds, pewter oil bottle, rod, worm and projectiles. VG-ExWO&C NLR
Estimate \$25,000 - \$35,000

**207 - VILLAR PEROSA S.M.G**

Very rare and unusual WWI Italian sub machine gun. The Villar Perosa is regarded as the first sub machine gun. The gun is effectively two guns mounted together and operated by twin thumb triggers as used on machine guns. The guns were mounted to aircraft and motor cycles as well as used from a bipod. 12" 9mm Glisenti calibre barrels, the original sight is a rotating dial peep type adjusting to 500 yards between the barrels. The bronze spade grip section is marked with oval logo OFFICINE DI VILLA PEROSA No8967. There is also a small Italian proof on the left hand side below the magazine. Metalwork has near overall blued finish and ExC wooden grips. Complete with bipod and magazines. It is believed there are only two of these historically important guns in NZ. ExWO&C C&P7
Estimate \$10,000 - \$20,000

**208 - MKI STEN GUN**

Very rare WWII British first model of the STEN sub machine gun, circa 1941/42. 8" 9mm cal barrel fitted with original cone shaped flash hider stamped TOP and has original sling swivel. The full length shroud has correct front sight with protecting wings. The magazine well is marked STEN MKI and S.M.C on the underside for Singer Manufacturing Company in Scotland who manufactured all MKI and MKI* STEN guns. The serial number has N prefix and is in the 23,000 range. The bolt and cocking handle are the correct MKI type. VGC original wooden handguard and folding grip. (The grip screw is a replacement). Fitted with correct No2 MKI tubular steel butt stock. Metalwork with most overall finish with nice dull patina thinning in areas. Includes its original magazine. This is the first of these we have had in over 10 years and is a great addition for the WWII British or S.M.G collector. ExWO&C C&P7
Estimate \$15,000 - \$20,000

**209 - NAMBU TYPE 99 MACHINE GUN**

Rare and desirable Imperial Japanese WWII machine gun. 21½" 7.7mm cal fluted barrel with original flash hider, sights, carry handle, bipod and bayonet and marked with serial number. The receiver has original rear drum sight. The right hand side is marked with Tokyo arsenal mark, serial number and Showa 17.11 (November 1942). Metalwork is in superb condition with near all original dark blue finish and all numbers are matching. VGC original woodwork with folding mono pod and sling swivels. The gun is missing the firing pin, extractor and springs. These possibly can be sourced overseas (contact us for more information). The original magazine is also missing. It includes two MG15 box magazines which it is understood that it could be modified with an adaptor to work. ExC C/P7LR
Estimate \$5,000 - \$7,000

Lots can also be viewed prior to the auction at our retail premises located at SAI Guns & Ammo - 553 Great South Road Penrose. Auckland

210 - BROWNING 1919 M.G

WWII US Machine gun. 24" 30.06 cal barrel with parkerised ventilated shroud. The receiver with original adjustable sight graduated to 2400 yards and marked U.S cal 30 M1. The receiver is marked with serial number in the 56,000 range and A.B.Q inspectors mark, BROWNING MACHINE GUN US CAL 30 M1919A4 & SAGINAW GENERAL MOTORS manufacturer etc. Metalwork has near all original blue finish. ExC original aluminium checkered grip. Includes its original 1942 dated tripod with T&E and near all original olive drab paint. Includes its original belt box with 250R belt containing display rounds and spare barrel with original carry bag and tripod cover and maintenance tool. Hard to find a better example. ExWO&C CLR
Estimate \$8,000 - \$11,000

290 - K98 MAUSER RIFLE

WWII German bolt action rifle. 24" 8mm cal barrel with original sights and bayonet lug. Chamber is marked byf 43 (Mauser 1943) Acceptance marks have been capture punch marked and serial numbers are mismatched. Near all Soviet arsenal refinish. ExC laminate wood stock complete with cleaning rod. ExWO&C ALR

291 - ARISAKA TYPE 38 CAVALRY RIFLE

Imperial Japanese WWII Arisaka short rifle based from the type 38 rifle. 24" 6.5 cal barrel, the front sight is without protecting wings. The sight is graduated to 2400 metres and has triangular shaped peep sight. The chamber has circular punches to the edge of the Mon (most likely Thailand) and 38 type Kanji. The side rail Nagoya arsenal marked. The bolt is unusual in that it is turned down and does not appear to be cut or welded and there is a recession in the wood work for this. Metalwork has dark patina with some pitting near the foresight. The woodwork is also unusual in that it is one piece and shows heavy use and a aged crack in the wrist and is most likely an old replacement. GWO&C ALR

292 - ARISAKA TYPE 38 RIFLE

Imperial Japanese WWII bolt action rifle. 31" 6.5 cal barrel with original sight and bayonet lug. The rear sight is original triangular peep type but not matching nor is the bolt. The Mon has circular punch marks around the edge and below is marked 38 type. The receiver has dust cover and is Nagoya arsenal marked. Metalwork has dark overall patina. GC two piece stock with webbing sling. GWO&C ALR

293 - FINNISH NAGANT RIFLE

A Finnish capture and re-issue of the Soviet Mosin Nagant M91/30 bolt action rifle. 29" 7.62x54R cal barrel with original sights. The chamber is SA marked as well as 1941 date and Izhevsk arsenal marks and the receiver is round type. Metalwork has dark grey to black patina. VGC dovetail/finger joint finish made stock complete with cleaning rod. VGWO&C ALR

294 - M1907 SLING

Original US Military WWII leather and brass sling to suit the '03 Springfield, Garand and Trench gun. Marked with crossed cannons. SA Ltd 1944. Shows age but appear unused. ExC

295 - K98 BAYONET

Reproduction bayonet for the German WWII rifle. 24½ cm blade with dark grey patina and with no markings visible. The grips are plastic in the Bakelite style, complete with scabbard. GC

296 - K98 BAYONET FROG

Original WWII black leather frog for the German bayonet. Code marked gfg 1942. VGC

297 - MOSIN NAGANT ACCESSORIES

Bag lot containing original accessories for the Soviet rifle/carbine. Includes sling twin cell pouch, oil bottle and tools.

A reproduction of the late war long side rail mount for the Mauser 98K sniper rifle. Fitted with a 7x42 sniper single turret telescopic sight. Includes attachment screws and tapping tool. VGC

299 - K98 SIDE RAIL MOUNT

WWII German side rail mount for the 98K Sniper rifle. The base section is WaA37 Waffen-amt marked as well as 135 acceptance eagle (Sauer & Mauser) and is also serialised and has a matching number on the ring section which has the commercial style twin levers. GC

300 - K98 SIDE RAIL MOUNT

Similar to previous but most likely modern or sporting production, near all bright blue finish. ExC

**301 - NAGANT PU SNIPER SCOPE**

Original Soviet Sniper scope and mount for the M91/30 Mosin Nagant rifle. The scope is marked with the optics logo and 91/30 over serial number, the mount also has faint electric pencil and serial number as well as 54 re-issue and SA marking for Finnish Army on the base. VGC

302 - REPRODUCTION PU SCOPE AND MOUNT

Modern made reproduction of the Soviet M91/30 Sniper PU model scope and mount. ExC

303 - M1 GARAND RIFLE

US WWII, circa 1945, semi automatic rifle. 24" .30M1 cal barrel with original sights and bayonet lug and is date stamped 4 45. The rear of the receiver is marked US RIFLE CAL 30 M1 SPRINGFIELD ARMORY and serial number in the three million range. Metalwork has near all parkerised finish. The VGC woodwork has been re-stained at some point and is complete with swivels. ExWO&C P6LR

304 - M1 CARBINE

US WWII semi auto carbine. 18" .30M1 cal barrel with original sight and marked ROCK-OLA. The chamber is marked US CARBINE CAL .30M1. The rear of the receiver has correct early flip over battle sight and is marked ROCK-OLA and serial number in the 169,000 range. Metalwork has most original blue to the barrel and thinning original finish to the action. VGC original stock complete with sling oiler and 15R magazine. VGWO&C P6&P7LR

305 - PPS 43 SUBMACHINE GUN

Soviet WWII Soviet S.M.G. 9½" 7.62x25 cal barrel with ventilated shroud with original sights. The receiver marked behind the chamber with ordnance C mark and 1945 date. Metalwork has most original Military finish, steel over folding stock. VGC original checkered grips also with the C logo. Includes its 35 shot magazine. ExWO&C C&P7LR

306 - MKIII STEN GUN

British Military WWII, circa 1942/43 sub machine gun. 8" 9mm cal barrel with integral handguard/shield with integral sights on the seam. The magazine well is marked STEN.M.C.MKIII and L.B. logo for lines Bros Ltd. Also marked with the serial number which is matching on the bolt and T style stock. Near all black enamel finish. Complete with original magazine. Ex-VGWO&C C&P7LR

307 - MKII STEN GUN

WWII British Sub machine gun. 8" 9mm cal barrel with original sights and shroud. The magazine well is marked STEN MKII and JL & CO. LTD. Metalwork has thinning enamel finish complete with steel skeleton stock and magazine. VGWO&C C&P7

308 - STEN BARREL COVER

A new made reproduction canvas hand cover grip as used on the MK2/5. Silent Sten guns to protect the hand when firing. In as new ExC

Original blackened bronze magazine loading device for the Australian Austen or Sten S.M.G. Marked "AUSTEN" 9MM. MAGAZINE FILLER D.C. VGC

310 - STEN SLING

Original WWII era canvas sling for the STEN SMG. VGC

311 - BRITISH MILITARY SURVIVAL KNIFE

Circa late 1970/820's Wilkinson pattern British Military survival knife. 18cm heavy blade with sharpening marks and chips and NATO number 127/8214. Wooden grips with heavy use. FC

312 - US GAS MASK

Gulf war era, circa 1990, US Airforce and Navy MCU-2/P chemical and biological gas mask in original bag with canister and decontamination accessories. VGC

313 - NAZI HI-POWER PISTOL

WWII German Issue Browning M1935 pistol. 5" 9mm cal barrel marked with acceptance eagle and serial number (matching on the slide and frame). The slide with original fixed sights and FN Herstal address and eagle acceptance marks, the frame is Waffen-amt marked for FN at the front below the barrel. Metalwork has typical dull original finish turning grey, worn but original wooden grips and includes its correct Waffen -amt marked magazine. GWO&C B/CLR

**314 - WWI LUGER PISTOL**

Imperial German WWI P08 pistol. 4" 9mm cal barrel with original sight, serial number and proofs. The chamber is dated 1917 and the toggle is marked with ERFURT logo as well as proof on the side including a WWI war time re-work proof (also on the barrel). Most numbers are matching including the magazine but the firing pin and take down are mismatched, these have most likely been replaced during the re-work process during the war. Metalwork retains most overall original rust blue and straw finishes with typical holster wear to the leading edges. VGC original walnut grips. Complete with its original makers marked and 1916 dated holster with stripping tool and extra magazine. The back of the holster has scratched in capture records for Phillip Waters of the Auckland Mounted Rifles and a capture date of 25 September 1918. VG-EXWO&C B/CLR

**315 - LUGER PISTOL**

German P08 pistol. 4" 9mm cal barrel with 1940 date and WWII acceptance marks on the top section. The toggle and frame are Imperial German DWM and the grip strap has a struck out WWI unit marking. Most overall dull blue thinning on the edges. GC checkered walnut grips and WWI era magazine. GWO&C B/CLR

**316 - WALTHER HP PISTOL**

German WWII era semi auto pistol. 5" 9mm cal barrel, the slide with Walther banner logo Zella Mehlis address and Mod HP, the slide has typical war time electric pencil re-number to match the frame. The barrel is also re-numbered in the same style but has the same original number as the slide. The frame is marked with WaA359 Waffen-amt and SS runes in circle which are also on the trigger guard as well as deaths head mark. Metalwork has near all blue GC brown grooved Bakelite grips. The magazine is also SS and Waffen-amt marked. VGWO&C B/CLR

**317 - FINISH BERETTA PISTOL**

WWII Finish Army issue Italian Beretta Model 1935 semi auto pistol. 3 1/2" .32acp cal barrel, the slide marked P Beretta cal 7.65 etc. and 1940 date and serial number matching on the frame which also has Italian proofs and 1941 date as well as Finnish Army SA marking. Metalwork has most original blued finish which has turned a plum colour on the slide, which is typical for this pistol. VGC original grips. VGWO&C CLR

318 - BERETTA 1935 PISTOL

WWII Italian Air Force issue pistol. 3 1/2" 32acp cal barrel, the slide with original sights is marked P Beretta cal 7.65 MOD 1935 and 1936 date. The frame has the Air Force eagle behind the grip. Metalwork has some holster loss on the right hand side at the front of the slide otherwise retains near all blue. Includes its original tropical web holster. An unusual variant for the Italian or WWII collector. VGWO&C CLR

319 - P38 HOLSTER

1st year of production black leather hard shell holster for the P38 pistol. The rear is stamped with G. POSE makers mark, 1940 date and Waffen-amt mark. VGC

320 - LUGER HOLSTER

Imperial German WWI era dark brown leather P08 holster. The holster is Saupe & Sherf makers marked and has a unit marking on the inside flap to Machine gun unit: 181.R. 1.B 09 MGKII J.R.181. M.G.28. The leather straps have a field repair. GC

**321 - HI-POWER HOLSTER**

Unusual most likely German/Spanish WWII variant of the breakaway holster for the high power holster. Brown soft cow leather construction with a tab on the top flap instead of the lower, has slight drop leg tab and has magazine pouch on the front which is correct double stack but longer then necessary. Shows correct age. GC

322 - GERMAN HI-POWER MAGAZINE

WWII German magazine for the M1935 9mm pistol WaA359 Waffen-amt mark on spine and base. Most overall original blue with some minor pin pricking. GC B/CLR

323 - INGLIS HI POWER MAGAZINE

WWII Canadian Inglis Browning Hi Power magazine. Thinning original blue and stamped JI on the front and base plate. GC B/CLR

324 - LUGER MAGAZINE

Original WWII era P08 magazine. Blued body with most dull finish. Alloy base plate with some bruising on the serial number and 63 eagle acceptance mark. GC B/CLR

325 - LUGER MAGAZINE

Similar to previous lot but earlier WWII version with nickel body and alloy base plate with serial number and eagle/63 proof. G-VG B/CLR

326 - P38 MAGAZINE

WWII German P38 pistol magazine, marked eagle 359 on the spine. GC B/CLR

Antique U.S Colt model 5 'Roots' percussion revolver, circa 1862. 3½" .31 cal round barrel with original bead sight and round loading lever with octagonal base and ball latch. It is marked ADDRESS COL. COLT NEW-YORK U.S.A. The 5 shot fluted cylinder is marked PATENTED SEPT. 10TH 1850 and behind the recoil shield is marked 31 CAL. Metalwork has areas with traces of original blue and case colours. There is minor pin pricking and bruising in a few areas. VGC original walnut one piece grips. Action is strong and indexes well. VGWO&C NLR

339 - LONDON NAVY POWDER FLASK

Medium size bag shape flask. The top is marked COLTS NAVY FLASK JAMES DIXON & SONS SHEFFIELD and has three position charger. The body of the flask is marked MADE IN ENGLAND and has a couple of pressure dings. Base with steel split rings. Measures approx 18½x6cm. G-VGC

**340 - COLT NAVY POWDER FLASK**

Antique powder flask for the Colt Navy revolver. Late variant with the pattern only on one side and has crossed rifles and pistols over COLT'S PATENT and Stand of Flags with shield. The top is basic, held with 3 pins (one missing). The lacquer finish is gone and has a dent to the rear but displays well. GC

341 - COLT NAVY BULLET MOLD

Original antique iron mold for the 1851 and 61 .36 cal Navy percussion revolvers. The spur cutter is marked COLTS PATENT and the mold 36B. VGC

342 - MODEL 1831 RAMPART GUN

A rare and seldom seen for sale Antique French Charleville M1831 breech loading percussion Rampart gun. These extremely large guns were used by defensive fortifications as intermediate arms between the muskets and cannons of the day. 47" round steel barrel in approx 1" calibre/90 bore with original blade foresight and flip up rear sight. The breach is a tip up type with side lever lock. The wrist is marked Mle 1831 and the lock plate Mre Rle/de Charleville. The front stock is steel but is missing the original bayonet style support stand. Metalwork has dark overall patina and action is strong. The original wood stock has aged bora holes, otherwise GOW&C NLR

343 - STEVENS FOWLING PIECE

Antique percussion double barrel muzzle loading shotgun, circa 1840-50's. 30" 16 bore Damascus twist barrels with gold bands at the breech and marked STEVENS 43 HIGH HOLBORN LONDON and proofs. The lock plates are also marked STEVENS LONDON and are borderline and scroll engraved with dolphin design hammer. Metalwork has grey patina to the barrels with some pinpricking and traces of case colours to the lock and blue in concealed parts of the trigger guard. VGC checkered walnut stock. Contained in its original wooden case with original green baize lining and trade label. Some damage to the partitions. VGWO&C NLR

344 - CASED RIGBY REVOLVER

Antique, circa 1860's, 4th model single trigger Tranter revolver. 4½" 80 bore (.38 cal) octagonal barrel. The top strap is marked with famous Irish maker John Rigby's London address: JN °. RIGBY & CO ST JAMES ST LONDON as well as London proof marks also on the 5 shot cylinder. The frame is marked TRANTERS PATENT and serial number with T suffix. It also has the cylinder safety and Tranter hinged ram rod. Metalwork is borderline and foliate engraved and retains most original bright blue to the frame with some areas of loss to the barrel. Original one piece checkered grips. Contained in its original green baize lined case with bullet mould, Dixon & Sons bag flask, rod, caps and lubricant. VG-ExWO&C NLR

345 - PATTERN 1858 PISTOL

Single shot percussion pistol, circa mid 19th century. 8" .59 cal steel barrel with blade foresight and captive ram rod. The proof marks on the gun are not the English proofs you would encounter on an East Indian company gun but are of an Indian script which makes us believe this is a locally produced variant. The lockplate has a similar script marking and some pinpricking. Metalwork has dark grey patina. VGC full wood stock with brass furniture but missing the lanyard ring. GWO&C NLR

346 - PERCUSSION PISTOL

Antique boxlock percussion travelling pistol, circa 1830-60's. 4" .50cal octagonal to round brass barrel & action with cannon turns at the muzzle. The action has basic Stand of Flags design. GC checkered one piece grip. GWO&C NLR

347 - PINFIRE SCENT PISTOL

Interesting and unusual antique, circa 1890's, European miniature pinfire single shot "scent" pistol. Measures just 4-5cm overall with an 18mm length, octagonal 2mm cal barrel. The all metal frame and grip with engraving retains most plated finish. VGWO&C NLR

348 - SHOT BAGS AND POWDER FLASK

Two antique leather shot bags for percussion or flintlock fowling guns, plus an unmarked shell pattern flask.

349 - WINCHESTER DEFENDER SHOTGUN

US pump action shotgun. 20" 12g barrel with rifle sights and New Haven address. Cylinder bore with 3" chamber and 5R magazine. Metalwork with near all original finish. ExC original wooden stock. ExWO&C ALR

350 - MOSSBERG 500 SHOTGUN

US pump action shotgun. 20" 12g cylinder bore barrel with heat shield and modified full length magazine. Metalwork has most overall blued finish with handling scratches. GC woodwork. G-VGWO&C ALR

351 - BENELLI SHOTGUN

Italian semi auto, model 123/SL80 12g shotgun. 28½" ½ choke ribbed barrel. Inertia action fully engraved receiver. Metalwork has near all finish. ExC wood stock in near new ExWO&C ALR

352 - FRANCHI 20G SHOTGUN

Italian 20g semi auto shotgun based on the Browning A5 design. 26" barrel with blade foresight and thinning blue. Some minor scratches to the receiver. VGC checkered woodwork. VGWO&C ALR

353 - JOHN WAYNE RIFLE

Vintage, circa 1982, Winchester Model 94 John Wayne commemorative rifle. 18½" 32-40 cal round blued barrel with full length magazine and original sights and markings. The receiver is nickel plated and engraved with famous movie scenes. Metalwork retains near all original blue finish and near all nickel plating with very minor bubbling starting where the forend meets the metal. ExC walnut stock with a few minor handling marks. Includes its original cardboard box. VG-ExWO&C ALR

354 - WINCHESTER 1894 CENTENNIAL RIFLE

Limited Edition 1894-1994 Centennial rifle. 26" Octagonal to round 30.WCF(30.30) cal barrel with iron sights and address etc and ½ length magazine. The receiver is engraved with foliate and deer design. Metalwork retains all original blue. ExC original deluxe checkered grade 1 walnut stock. Includes original box. ExWO&C ALR

355 - MAUSER 1914 PISTOL

Unusual long barrel variant with 5½" .32acp cal barrel. The slide with two line Oberndorf address and frame with banner. Original blue thinning all over and turning grey in heavy use areas. GC original grips. GWO&C B/CLR

356 - MAUSER 1934 PISTOL

German WWII semi automatic pistol. 3½" .32ACP cal barrel with original sights and post war English proofs (also on the framework) the slide is marked with calibre and Mauser Werke Oberndorf address as well as Nazi eagle/N commercial proof. The frame has banner logo. Metalwork has bright blue finish to the slide and grey patina on the frame and barrel. Original wooden grips have a 4cm long chip at the base on the right hand side. GWO&C CLR

357 - SAVAGE 1907 PISTOL

Vintage US semi auto pistol, circa 1907-17. 3½" .32acp cal barrel with original sights. The top marked with Savage NY address, calibre and patent information. The frame is marked with the Savage logo and has round hammer. Metalwork has most overall blue that is still bright in areas and has scattered speckle staining and a 1cm area of pitting below the ejection port. VGC original hard rubber Indian head logo grips and original ten round magazine plus a period leather holster. VGWO&C CLR

358 - BROWNING 1900 PISTOL

Belgian early 20th Century pistol. 4" .32acp cal barrel with Belgian proofs and marked with FN Herstal address. Metalwork has near all original blue, thinning in a few spots. ExC original FN logo brown hard rubber grips. ExWO&C B/CLR

**359 - BROWNING 1910 PISTOL**

3½" .32acp cal barrel, the slide with integral sights and FN Herstal address. Metalwork retains near all original blue with some slight holster wear and a few minor stains. VGC original FN logo grips. VG-ExWO&C

360 - FN 1910/22 PISTOL

A rare post war German occupational era, Railway Police FN pistol. 4½" .32acp cal barrel, the slide with original sights, FN Herstal address and is proofed plus marked Bahnpolizei U.S. Zone (Railway Police). Metalwork has most original blue with some holster and handling wear. VGC original hard rubber grips. VGWO&C B/CLR

361 - G1 SCOPE AND MOUNT

German Military telescopic sight and mount for the G1 7.62 cal rifle. The scope with Hensoldt logo and NATO number etc. The dust cover base is marked MADE IN GERMANY. Includes its original matching number case. ExC

362 - G3 SCOPE AND MOUNT

Telescopic scope and mount for the Hechler & Koch G3 rifle. The scope has a green finish and has Hensoldt logo and NATO number. The mount is claw mount type. Includes case with camo colour. ExC

363 - NDM86 OPTIC AND MOUNT

Most likely commercial variant of the Chinese Dragonov scope and mount. Includes metal transit case and instructions. ExC

364 - RUGER PISTOL MAGAZINES

Two magazines for the .22lr Ruger 22/45 and 22/45 lite model pistols. ExC B/CLR

366 - SWEDISH M45 S.M.G

Rare and desirable early variant of the Carl Gustaf Swedish Military sub machine gun. 8" 9mm cal barrel with original sights and shroud. Stamped with the serial number and Swedish crown which is matching on the receiver in several places. This variant has the removable magazine guide. When removed the gun will accept Suomi magazines. Metalwork has near all original matte black finish. ExC wooden grip with steel folding stock. Includes its original 36R magazine. ExWO&C C&P7LR *Estimate \$5,000 - \$7,000*

367 - SUOMI S.M.G

Swiss Military issue Finnish manufactured Model 43 Sub machine gun. 12" 9mm cal barrel with ventilated shroud and original sights. The receiver has the Finnish Suomi Tikka marked tangent sight and has Swiss proof. Metalwork has thinning Military enamel finish. GC woodwork complete with sling and 50R 'Coffin' magazine. G-VGWO&C C&P7

368 - BERETTA 38A S.M.G

Italian WWII 9mm cal sub machine gun. 14" barrel with compensator and perforated shroud with bayonet lug and original sights with basic battle rear sight, the receiver is marked MOSCH AUTOM "BERRETA" Mod.38/A 44-Cal.9 - 1949. The gun has the early war time side safety not the post war cross bolt. Metalwork has all over blue with some pin pricking to the sheet metal chamber cover. GC woodwork with cross inlaid into the stock (perhaps Military insignia). Includes its original 40R magazine. VGWO&C C&P7LR

369 - SA DAGGER

World War II Nazi German 1933 standard pattern early SA dagger 22.2cm black marked with motto - Alles für Deutschland. The ricasso is marked with the logo for Solingen maker August Merten and the blade is in ExC with typical runner marks and has very good fit to the crossguards which also fit well to the wooden grip and has small HO stamp. Some scuffing to the SA roundel VGC original scabbard with some minor dings and scratches. VGC

370 - GERMAN ARMY DAGGER

WWII German Army Officers dagger. 26cm blade with original Eickhorn Solingen squirrel logo on the centre flat section. The crossguard with Army eagle has a scratched in unit/soldier marking AH6055. VGC orange celluloid grip with small dark crack at the top, complete with original scabbard with pebble grain design and oak leaf bands. ExC

371 - GERMAN FORESTRY/HUNTING CUTLASS

Rare, circa early 1930's, German hunting association (Deutsche Jagerschaft) senior version Cutlass. 34cm blade is etched on both sides with dog and fox scene and deer scene. The ricasso is marked with the WKC Knights head logo. The brass gilded handle has D shaped guard with deer hoof accents. The guard with clamshell design. Ivory grips with acorn accents. ExC leather and brass scabbard with leather frog. ExC

372 - NSKK DAGGER

WWII German National Socialist Motor Corps 1933 dagger. 22½cm blade marked with Alles für Deutschland motto and makers logo for GEBR-BECKER Solingen. Some mild staining between the runner marks. The guard with no stamp has a good fit to the wooden grip and blade. VGC scabbard with near all black enamel finish. VG-ExC

373 - GERMAN POLICE BAYONET

WWII era German Police dress bayonet. 33cm polished blade with makers mark P.D LUNESCHLOSS SOLINGEN The guard has a unit mark S.D.I.38 (also matching on the scabbard) eagles head pommel and antler grip. The normal Police Nazi eagle has been replaced with an eagle behind a castle emblem (provincial crest?). Complete with scabbard and frog. ExC

374 - NUREMBERG PEWTER PLATE

Rare Third Reich era Souvenir pewter plate. Measures 20cm across with the emblems of 9 paramilitary organisations and picture of Nuremberg in the centre. VGC

375 - GERMAN GOGGLES

WWII German goggles as used by mountain or motorised troops, tan brown vinyl with amber tinted lenses and elastic strap. ExC

376 - DAGGER BLADE AND SPOON

28½cm blade with profile of 1st pattern Luftwaffe dagger measuring 2½cm wide at the ricasso, stamped 3097 on one side and eagle between GES and GESCH on the other, no thread on the tang. Some staining, plus a Kriegsmarine marked soup spoon. GC

377 - SMLE NO2 MKIV TRAINING RIFLE

British Military .22 short rifle Mark IV (No2 MKIV*). 25" .22RF cal barrel. The bolt and barrel are matching numbers and the wrist is marked Crown/GR ENFIELD 1917 SHT 22IV*. There is no aperture sight on the wrist. Metalwork retains most overall original blue. VGC woodwork. The magazine is correctly without follower but not marked 22. ExWO&C ALR

378 - SMLE NO.8 RIFLE

NZ Military .22lr training rifle based on the Lee Enfield No4 rifles. 24" .22lr cal barrel with original sights. The receiver is marked NO.8 MKI and the wrist has 1952 date and N1Z etc. Metalwork has near all matte Military finish and the woodwork is in excellent crisp condition. Complete with sling. Hard to find better. ExWO&C ALR

**379 - LONG TOM RIFLE**

British Lee Enfield MKI bolt action rifle. 30" .303 cal barrel with original foresight and bayonet lug with cleaning rod slot. The rear sight is graduated to 1900 on the leaf and 600 on the bed. The barrel is stamped HV as well as BSA logo 10/hg 738 and sold out of service marks etc. The serial number on the bolt is mismatched to the gun. The wrist is stamped BSA Co and has long range sight fitted. Metalwork has most overall finish with some staining. GC woodwork complete with swivels and lobbing sight. The butt with LSA cartouche and 1.1 marks. G-VGWO&C ALR

380 - SWEDISH MAUSER RIFLE

M96 bolt action Military rifle. 29" 6.5x55 cal barrel with original sights. The chamber is marked Carl Gustaf etc 1914. Metalwork has most original thinning blue finish. Numbers are matching except the bands. VG woodwork complete with stock disc and swivels. VGWO&C ALR

381 - MAUSER K98 RIFLE

Nazi era German Military bolt action rifle. 24" 8mm cal barrel with original sights and bayonet lug. Marked with serial number and acceptance mark. Chamber with S/27 code for Erma & 1937 date as well as Soviet capture punch mark. Most overall Soviet re-finish. Laminate stock with checkered repair on top of the wrist and matching serial to chamber and barrel. GWO&C ALR

382 - LEE ENFIELD CARBINE

Carbine variant of the British/NZ Military Lee Enfield. 21" .303 cal barrel with what appears to be a replacement foresight. The chamber has sold out of service marks and some pin prick marks. The left hand side of the wrist is marked Crown/ER ENFIELD 1902 L.E.C I*. The right hand side is without the NZ marks but the metalwork has been heavily cleaned. The bolt is mismatched but correct flattened type with proofs. The woodwork is a replacement butt and modern reproduction forend. GWO&C ALR

383 - MARTINI HENRY BAYONET

British Military Pattern 1887 sword bayonet. 46½cm blade with fuller ordnance marks and 88 date. Most likely Nepalese marking or Indian marking on the guard. Worn original grips complete with scabbard. GC

430 - 1921 THOMPSON S.M.G

Rare and desirable Colt manufactured model of 1921 Thompson sub machine gun. This particular firearm is part of a batch of firearms known today as 'Irish Swords'. These were supplied by Auto Ordnance agent George Rorke to the IRA under great controversy. The original shipment was seized by the F.B.I before being smuggled out of New Jersey but later released and sent to Ireland where they were used during their Civil War and after by the I.R.A. 12" .45acp cal fluted barrel correctly without compensator. The receiver is marked THOMPSON SUBMACHINE GUN CALIBRE .45 AUTOMATIC COLT CARTRIDGE MANUFACTURED BY COLT'S PATENT FIREARMS MFG CO HARTFORD. CONN.U.S.A MODEL OF 1921 (943 the serial number has been correctly struck out and later re-applied). The other side is marked with Auto Ordnance New York address and patent information ending in 1920 and John Barrett inspectors mark. The lower number has also been struck and re-applied. Metalwork has thinning original blue with some pinpricking on the lower flats of the receiver but is typical for this gun. ExC *Estimate \$22,000 - \$28,000*

502 - WWII P38 PISTOL

An unusual and interesting late war P38 pistol produced by and issued to the French when the Mauser plant was occupied by the French in April of 1945. This particular gun is in the very early 3000g block of numbers and has a blued 5" 9mm cal barrel, while the slide and frame are unfinished. The slide is marked P38 SVW 45 and serial number plus Waffen-amt marks matching on the frame. It is also marked with the French five pointed star. The grips are the brown plastic type not the sheet metal type, the magazine is blued and stamped on the spine eagle/359. This series of P38 received the collectors nickname of the 'Grey Ghost'. Due to the low numbers and colour of the finish. We believe this to be one that would have been issued to the French in the last month of the War. VGWO&C B/CLR

503 - P38 PISTOL

WWII German semi auto pistol. 5" 9mm cal barrel, the slide is marked P38 byf 44 (Mauser 1944) and serial number as well as Waffen-amt marked which is also on the frame. The barrel is mismatched but is correct late war type. Metalwork has dark grey patina with areas of blue and some holster speckle staining to the right hand side of the slide. VGC original black grips and jud makers marked and Waffen-amt magazine. GWO&C B/CLR

504 - WALTHER PP PISTOL

West German Police semi auto pistol. 3¾" .32acp cal barrel with 1962 proof date, the slide with banner logo and Ulm address. Most overall original blue with some holster wear. Grip strap marked F Pol Ffm and crossed out shield logo. VGC original black plastic grips, showing wear. VGWO&C B/CLR

505 - SWEDISH '07 PISTOL

Swedish Military Browning 1907 semi automatic pistol. 5" 9mm Browning long calibre barrel, the slide with Husqvarna address and original sights. The frame with rack number and proof marks. Metalwork has correct all over original slightly textured Military finish. ExC original hard rubber grips with Swedish crest. Includes an original holster with extra magazine. ExWO&C B/CLR

Modern reproduction of a British WWII era S.A.S beige coloured felt beret with cloth who dares wins patch, size 7 ¼/58. ExC

528 - M1 CARBINE

An unusual vintage Japanese Howa made M1 carbine for the Royal Thai Police. 18" .30 carbine cal barrel with original sights and crest over chamber. Near all parkerised finish. ExC original walnut stock with sling and 15R magazine. VG-ExWO&C P6/P7LR

529 - MAUSER C96 CARBINE

A modern manufactured from original parts reproduction of the famous carbine variant of the C96 pistol. 16" 7.63 cal barrel with Oberndorf address. Rear sight graduated to 1000 meters. Frame with banner logo. Metalwork has all over black re-blue thinning on the barrel. VGC woodwork. VGWO&C CLR

530 - COLT 'THUNDERER' REVOLVER

Antique, circa 1895, model 1877 double action revolver. 4 ½" .41 cal barrel marked with two line Hartford address and calibre. The frame has patent dates and rampant horse logo (also on the grips). Metalwork has dark original patina with blue in concealed areas and all serial numbers are matching. The original hard rubber grips have worn smooth at the base and action functions well. VGWO&C B/CLR

531 - MERWIN & HULBERT REVOLVER

Antique, circa 1880's, US double action revolver. 3" .32CF cal barrel with original sight and marked MERWIN HULBERT & Co NEW YORK. The frame with 5 shot cylinder uses an unique loading system where the barrel turns .45 degrees and slides forward to load and unload. The hammer spur also folds to avoid catching in the pocket. Metalwork is in ExC retaining all original nickel finish and case colours. ExC original mother of pearl grips. Hard to find better example of this early US antique cartridge revolver. ExWO&C CLR

532 - COLT 1903 PISTOL

US Model 1903 hammerless pistol, circa 1916. 3¾" .32acp cal barrel, slide with original sights and Hartford address. Metalwork has grey to dark mottled finish. GC original grips. GWO&C CLR

533 - WEBLEY 1908 PISTOL

British, early 20th century, semi auto 'Police' model (as used by the British Metropolitan Police). 3.45" .32acp cal barrel, slide with integral sight and marked with Webley & Scott address and logo. Metalwork with near all old re blue, VGC original checkered vulcanite black grips. G-VGWO&C CLR

534 - TAURUS PT99 PISTOL

Brazilian semi auto pistol based on the Beretta 92. 5" 9mm cal barrel and slide with adjustable sights. Metalwork has thinning original finish, rubber checkered grips. GWO&C B/CLR

535 - RUGER OLD ARMY REVOLVER

US .44 cal percussion revolver. 7½" barrel with adjustable sights. Stainless steel metalwork with some scratches. GC-Pachmayr rubber grips. GWO&C B/CLR

536 - REMINGTON 870 SHOTGUN

US pump action shotgun. 21" 12g vent rib barrel with interchangeable chokes (½ choke fitted) and 3" chamber. Receiver marked 870 Magnum special purpose. Metalwork and synthetic stock has all over 'Real Tree' camo finish, in as new ExWO&C ALR

537 - REMINGTON 870 SHOTGUN

26" 12g vent rib barrel with 3" chamber and multi choke (½ choke fitted). Receiver marked 870 Express Magnum. Metalwork has all over parkerised finish. ExC black synthetic stocks. In as new ExWO&C ALR

538 - CUSTOM MAUSER RIFLE

Custom built sporting rifle built on a WWII era K98 rifle. 26" 8x57 cal barrel with iron sight, the receiver tapped for scope but fitted with target rear sight and has custom trigger guard. Metalwork has near all gloss blue. ExC high grade walnut stock. ExWO&C ALR

539 - SPORTERISED MAUSER RIFLE

Custom sporting rifle built from a large ring 98 action. 25" 7x57 cal Military barrel with original sights. The receiver has Pecar 4 power scope fitted and sporting triggerguard. Near all bright blue finish and ExC sporting wooden stock. VGWO&C ALR

540 - WINCHESTER '92 RIFLE

US lever action, circa 1911. Re barrelled in .310 cadet with 24" BSA barrel marked 310-12-120. Metalwork has dark patina, has been sanded and repaired at the tip of the butt. FWO&C ALR

541 - HENRY .22 MAGNUM RIFLE

US lever action with 19" round barrel missing the front sight hood. Metalwork has near all original blue finish but is thinning on the lower part of the receiver. VGC checkered walnut stock with QD swivel studs. VGWO&C ALR

**542 - GREENER CLUB RIFLE**

Antique, circa 1900, English Greener Martini action Miniature Club Rifle. 26" .22RF cal barrel with original foresight and blank rear sight is marked W GREENER BIRMINGHAM MINIATURE CLUB RIFLE AMMUNITION .22. Makers name is also on the side of the take down action. The wrist has tang sight. Metalwork has dark grey patina. GC woodwork. GWO&C ALR

543 - TWO 22 RIFLES

BSA Sportsman 5 .22lr bolt action with detachable box magazine, most thinning blue. GC woodwork with home made swivels. Winchester 02 single shot in .22 short, grey stained patina, wood stock shows wear. G/FWO&C ALR

544 - MUGICA SHOTGUN

Brazilian side by side shotgun. 28" 12g barrels with full and 1/2 chokes. Boxlock action with twin triggers. Metalwork has thinning blue. GC woodwork with handling scratches. GWO&C ALR

CONTACT DETAILS

For information or price guide on lots contact Greg Carvell c/- S.A.I Guns
553 Great South Road. Penrose.
Telephone +64 9 579-3771
Fax +64 9 579-3401
Email carvelsauctions@gmail.com
Website www.gunauction.co.nz
Postal P.O Box 112313
Penrose 1642. Auckland. NZ

We will have an Arms Officer in attendance for your convenience to arrange permits.

* Pistol Club shooters – If you wish to uplift a pistol on your B license at the auction you will have to bring with you a “pink” form from your pistol club secretary. Otherwise you can arrange to pick up the pistol at a later date.

We will have EFTPOS for your convenience. Note there is often a bank limit on eftpos of \$2000. We accept Visa and Mastercard – 3% surcharge will apply for credit cards. Sorry we do not accept American Express. Due to recent NZ banking changes we will no longer be able to accept personal cheques.

Please bring gun bags and/or lock boxes for transport of firearms from the venue.

POSTAL BIDDERS

We guarantee to get your lots at the lowest possible price having regard to the next highest postal bid, bidding off the floor and any reserves. Send your bids early, if two bids are the same the first bid we receive takes preference. Fax, email or post your bids on the postal bidding form included with the catalogue. Payment must be made on receipt of invoice. Do not wait until you get your permits as delays hold up payments to our vendors. Sorry we can not courier to post boxes, our courier requires a physical address. International bidders please contact us for an estimate on freight and other charges.

BUYERS PREMIUM

12% Buyers premium on the hammer price applies plus G.S.T on the premium only

POSTAL REQUIREMENT OF 1993 ARMS ACT

All firearms, parts and ammunition (excluding antique) require a mail order form from a Police Officer validating your license. This form is forwarded on your behalf to us from your local Arms Officer / Police station. Pistols & restricted weapons require a permit to procure before delivery

EXPORT – We can export to most countries. Firearms including antique have to be exported via air freight. We have a freight forwarder who can organise this for you. An export license will need to be obtained. We charge a \$80 fee for our time in organising the export and packaging, The freight forwarder will charge you for the NZ export license and the freight for the firearm(s). This is usually charged forward and you will pay this on receiving your goods. The export process can take around 4-8 weeks. For an estimate of the export license and freight charges please contact us. NZ G.S.T (VAT/sales tax) is only on the commission / buyers premium portion of the items, because this service occurs in New Zealand this must be charged on exports. Items that are not firearms can be sent via NZ postal service and will be charged at that rate plus packaging. Some items with historical significance to New Zealand may not be able to be exported.

CARVELL'S AUCTIONS STANDARD CONDITIONS OF SALE

- Buyers Premium. Buyers will be charged 12% of the hammer price, GST of 15% will be charged on the buyers premium only.
- All lots sold as shown & with all faults, imperfections and errors of description. The Auctioneers act as agent: they have full discretion to refuse any bidding or to withdraw any lot or lots from the sale without in either case giving any reason: neither they nor the vendor are responsible for errors of description or for genuineness or authenticity of any lot or for any fault or defect in it and make no warranty. Due to the accurate reproduction of some badges and particularly German, we catalogue all such items as they appear to be, this is in line with major auction houses worldwide, it is up to the bidder to satisfy himself on any such lots.
- The highest bidder to be the purchaser, subject to the Auctioneers having the right to refuse bidding of any person. Should any dispute arise as to the bidings the lot in dispute is to be immediately put up for sale again at the preceding bidding or the Auctioneers may declare the purchaser.
- No person shall advance less at a bid than the sum to be nominated by the Auctioneer and no bid shall be retracted.
- All lots sold subject to the right of the seller or his agent to impose a reserve.
- The purchaser to give his name, address, firearms license details and to pay for all lots in full at the conclusion of the sale. In default of which matters the lot or lots purchased may be immediately resold.
- The lots are at the buyer's risk from the fall of the hammer and are to be taken away at the buyer's expense, in default of which the Auctioneers will not hold themselves responsible if the same are lost, stolen, damaged or otherwise destroyed, but they will be left at sole risk of the purchaser. If the lots are not cleared or paid for, they may be sold immediately without prior notice being given to the defaulter.
- Firearms Licenses and or appropriate permits must be produced along with receipted invoices prior to delivery of any lot.
- Payment: Payment must be made on the day of the auction unless prior organised with Carvels Auctions. Payment options are Eftpos, Bank Cheque, Cash, Internet bank transfer by arrangement, the Auctioneers reserve the right to request identification in the case of any purchaser not known to the Auctioneers. Credit Cards ie Master Card/Visa will be accepted, however a 3% service charge will apply. Note the bank often has a limit of around \$2000 per day for eftpos
- The Auctioneers cannot be held responsible for any injury or damage to persons or property through attempts to fire any firearms which are sold as collectors items only, this also applies to all ammunition.
- POSTAL BIDS: Lots will be bought as favourably as allowed by other such bids, bidding on the floor and any reserve. All bids must be accompanied by a signed photo copy of your firearms license. Only successful bidders will be notified. Freight and Packing charges incurred will be paid by the successful bidder. We dispatch via Courier, street address or suitable drop point, PLEASE NO PO BOXES. We take all care but accept no responsibility. Each package has \$1000 insurance limit, also applies to items sent by post.
- POSTAL BIDDERS: PAYMENT MUST BE MADE ON RECEIPT OF INVOICE. Do not wait until you get your permits, delays hold up payment to our vendors.
- FIRST TIME BIDDERS will need to establish a line of credit by supplying credit card details.
- We accept your bids in good faith however bad debts and change of mind are not acceptable. Recovery of debts will be strongly pursued through legal channels.
- If you are bidding on behalf of another person you are responsible for inspecting the item and payment.
- Measurements and weights are only an approximate.
- Some items with significant historical significance and rarity to New Zealand may not be able to be exported.
