**213 - WELROD PISTOL**

An extremely rare WWII British Welrod MKIIA .32AUTO pistol. The Welrod pistol was developed by the S.O.E as a silenced pistol for assassination purposes by covert operators and civilian resistance fighters and saw use in Norway and Denmark. The pistol was designed to not resemble a firearm when the magazine/grip section was removed which earned it the nick name of the 'Bicycle Pump'. The gun has an overall length of just over 12" (31cm) and uses a manually operated bolt action system with a series of baffles and replaceable rubber wipes to make one of the quietest pistols made. The magazine is from a Colt 32 hammerless pistol with an Ebonite grip to form the handle and uses a grip safety. The gun retains near all its correct parkerised finish and traces of the luminous paint to the sights. The gun is correctly marked with 5 pointed star and square as well as four digit number also located on the rear of the bolt. The magazine is also correctly serial numbered in electric pencil and is 13 numbers different, which we suspect would be very likely with this type of pistol and the history of their use. This is a unique opportunity for the advanced WWII collector to purchase one of the rarest and most interesting firearms of the war. VGWO&C CLR *Estimate \$15,000 - \$20,000*

 Postal P.O Box 112313  
 Penrose 1642. Auckland. NZ

We will have an Arms Officer in attendance for your convenience to arrange permits.

\* Pistol Club shooters – If you wish to uplift a pistol on your B license at the auction you will have to bring with you a “pinky” form from your pistol club secretary. Otherwise you can arrange to pick up the pistol at a later date.

We will have EFTPOS for your convenience. Note there is often a bank limit on eftpos of \$2000. We accept Visa and Mastercard – 3% surcharge will apply for credit cards. Sorry we do not accept American Express. Due to recent NZ banking changes we will no longer be able to accept personal cheques.

Please bring gun bags and/or lock boxes for transport of firearms from the venue.

**POSTAL BIDDERS**

We guarantee to get your lots at the lowest possible price having regard to the next highest postal bid, bidding off the floor and any reserves. Send your bids early, if two bids are the same the first bid we receive takes preference. Fax, email or post your bids on the postal bidding form included with the catalogue. Payment must be made on receipt of invoice. Do not wait until you get your permits as delays hold up payments to our vendors. Sorry we can not courier to post boxes, our courier requires a physical address. International bidders please contact us for an estimate on freight and other charges.

**BUYERS PREMIUM**

12% Buyers premium on the hammer price applies plus G.S.T on the premium only

**POSTAL REQUIREMENT OF 1993 ARMS ACT**

All firearms, parts and ammunition (excluding antique) require a mail order form from a Police Officer validating your license. This form is forwarded on your behalf to us from your local Arms Officer / Police station. Pistols & restricted weapons require a permit to procure before delivery

**EXPORT** – We can export to most countries. Firearms including antique have to be exported via air freight. We have a freight forwarder who can organise this for you. An export license will need to be obtained. We charge a \$80 fee for our time in organising the export and packaging. The freight forwarder will charge you for the NZ export license and the freight for the firearm(s). This is usually charged forward and you will pay this on receiving your goods. The export process can take around 4-8 weeks. For an estimate of the export license and freight charges please contact us. NZ G.S.T (VAT/sales tax) is only on the commission / buyers premium portion of the items, because this service occurs in New Zealand this must be charged on exports. Items that are not firearms can be sent via NZ postal service and will be charged at that rate plus packaging. Some items with historical significance to New Zealand may not be able to be exported.
