We will have an Arms Officer in attendance for your convenience to arrange permits.

We will have EFTPOS for your convenience. Note there is often a bank limit on eftpos of \$2000. We accept Visa and Mastercard – 3% surcharge will apply for credit cards. Sorry we do not accept American Express. Due to recent NZ banking changes we will no longer be able to accept personal cheques.

Please bring gun bags and/or lock boxes for transport of firearms from the venue.

**POSTAL BIDDERS**

We guarantee to get your lots at the lowest possible price having regard to the next highest postal bid, bidding off the floor and any reserves. Send your bids early, if two bids are the same the first bid we receive takes preference. Fax, email or post your bids on the postal bidding form included with the catalogue. Payment must be made on receipt of invoice. Do not wait until you get your permits as delays hold up payments to our vendors. Sorry we can not courier to post boxes, our courier requires a physical address. International bidders please contact us for an estimate on freight and other charges.

**BUYERS PREMIUM**

12% Buyers premium on the hammer price applies plus 15% G.S.T on the premium only

**POSTAL REQUIREMENT OF 1993 ARMS ACT**

All firearms, parts and ammunition (excluding antique) require a mail order form from a Police Officer validating your license. This form is forwarded on your behalf to us from your local Arms Officer / Police station. Pistols & restricted weapons require a permit to procure before delivery

**EXPORT** – We can export to most countries. Firearms including antique have to be exported via air freight. We have a freight forwarder who can organise this for you. An export license will need to be obtained. We charge a \$80 fee for our time in organising the export and packaging, The freight forwarder will charge you for the NZ export license and the freight for the firearm(s). This is usually charged forward and you will pay this on receiving your goods. The export process can take around 4-8 weeks. For an estimate of the export license and freight charges please contact us. NZ G.S.T (VAT/sales tax) is only on the commission / buyers premium portion of the items, because this service occurs in New Zealand this must be charged on exports. Items that are not firearms can be sent via NZ postal service and will be charged at that rate plus packaging. Some items with historical significance to New Zealand may not be able to be exported.

**CARVELL'S AUCTIONS STANDARD CONDITIONS OF SALE**

1. Buyers Premium. Buyers will be charged 12% of the hammer price, GST of 15% will be charged on the buyers premium only.
2. All lots sold as shown & with all faults, imperfections and errors of description. The Auctioneers act as agent: they have full discretion to refuse any bidding or to withdraw any lot or lots from the sale without in either case giving any reason: neither they nor the vendor are responsible for errors of description or for genuineness or authenticity of any lot or for any fault or defect in it and make no warranty. Due to the accurate reproduction of some badges and particularly German, we catalogue all such items as they appear to be, this is in line with major auction houses worldwide, it is up to the bidder to satisfy himself on any such lots.
3. The highest bidder to be the purchaser, subject to the Auctioneers having the right to refuse bidding of any person. Should any dispute arise as to the biddings the lot in dispute is to be immediately put up for sale again at the preceding bidding or the Auctioneers may declare the purchaser.
4. No person shall advance less at a bid than the sum to be nominated by the Auctioneer and no bid shall be retracted.
5. All lots sold subject to the right of the seller or his agent to impose a reserve.
6. The purchaser to give his name, address, firearms license details and to pay for all lots in full at the conclusion of the sale. In default of which matters the lot or lots purchased may be immediately resold.
7. The lots are at the buyer's risk from the fall of the hammer and are to be taken away at the buyer's expense, in default of which the Auctioneers will not hold themselves responsible if the same are lost, stolen, damaged or otherwise destroyed, but they will be left at sole risk of the purchaser. If the lots are not cleared or paid for, they may be sold immediately without prior notice being given to the defaulter.
8. Firearms Licenses and or appropriate permits must be produced along with receipted invoices prior to delivery of any lot.
9. Payment: Payment must be made on the day of the auction unless prior organised with Carvells Auctions. Payment options are Eftpos, Bank Cheque, Cash, Internet bank transfer by arrangement, the Auctioneers reserve the right to request identification in the case of any purchaser not known to the Auctioneers. Credit Cards ie Master Card/Visa will be accepted, however a 3% service charge will apply. Note the bank often has a limit of around \$2000 per day for eftpos
10. The Auctioneers cannot be held responsible for any injury or damage to persons or property through attempts to fire any firearms which are sold as collectors items only, this also applies to all ammunition.
11. POSTAL BIDS: Lots will be bought as favourably as allowed by other such bids, bidding on the floor and any reserve. All bids must be accompanied by a signed photo copy of your firearms license. Only successful bidders will be notified. Freight and Packing charges incurred will be paid by the successful bidder. We dispatch via Courier, street address or suitable drop point, PLEASE NO PO BOXES. We take all care but accept no responsibility. Each package has \$1000 insurance limit, also applies to items sent by post.
12. POSTAL BIDDERS: PAYMENT MUST BE MADE ON RECEIPT OF INVOICE, Do not wait until you get your permits, delays hold up payment to our vendors.
13. FIRST TIME BIDDERS will need to establish a line of credit by supplying credit card details.
14. We accept your bids in good faith however bad debts and change of mind are not acceptable. Recovery of debts will be strongly pursued through legal channels.
15. If you are bidding on behalf of another person you are responsible for inspecting the item and payment.
16. Measurements and weights are only an approximate.
17. Some items with significant historical significance and rarity to New Zealand may not be able to be exported.
